c. Backup Special Tax

Final Tract Map Nos. 27971-4, 27971-6, and 27971-8 have been recorded and together cover all the property within CFD No. 2020-1 IA-1. The Backup Special Tax for the Assessor’s Parcels of Residential Property within CFD No. 2020-1 IA-1 has been determined as calculated below. The owner of the property within Final Map Nos. 27971-4, 27971-6, and 27291-8 provided the Assistant Superintendent of Business Services a copy of the recorded Final Maps and a listing of the square footage of all lots within such Final Maps and CFD No. 2020-1 IA-1 prior to the formation of CFD No. 2020-1 IA-1.

The Backup Special Tax per Assessor’s Parcel of Residential Property within the CFD No. 2020-1 IA-1 is determined by multiplying the Maximum Special Tax per Acre for Undeveloped Property of \$6,538.16 for Fiscal Year 2020/21 by the total Acreage of Taxable Property, excluding the Acreage associated with Non-Residential Property, Public Property and Property Owner’s Association Property in the Final Maps included within CFD No. 2020-1 IA-1 and dividing such amount by the number of Assessor’s Parcels that are or are expected to be Residential Property (i.e., the number of residential lots or dwelling units) within such Final Maps included within CFD No.

2020-1 IA-1. Table 2 below provides the calculation of the Backup Special Tax for Fiscal Year 2020/21 for CFD No. 2020-1 IA-1.

**TABLE 2**  
Backup Special Taxes  
Fiscal Year 2020/21

Map Status	Final Map Acreage of Taxable Property	Number of Residential Dwelling Units	Status of Backup Tax*	Backup Special Tax per Lot or Dwelling Unit*
Final	36.46	222	Final	(\$6,538.16 times 36.46 divided by 222 lots) \$1,073.79

\* Note: The Backup Special Tax per lot or dwelling unit shown may be modified as described below.

Notwithstanding the foregoing, if all or any portion of any of the Final Maps contained with the boundaries of CFD No. 2020-1 IA-1 described in the preceding paragraph is subsequently changed or modified, then the Backup Special Tax for each Assessor's Parcel of Residential Property in such Final Map area contained with the boundaries of CFD No. 2020-1 IA-1 that is changed or modified shall be a rate per square foot of Acreage calculated as follows:

1. Determine the total Backup Special Taxes anticipated to apply to the changed or modified Final Map area prior to the change or modification.
2. The result of paragraph 1 above shall be divided by the total Acreage of Taxable Property within such changed or modified Final Map area, excluding the Acreage associated with Non-Residential Property, Public Property and Property Owner Association Property which is ultimately expected to exist in such changed or modified Final Map area contained within the boundaries of CFD No. 2020-1 IA-1, as reasonably determined by the Assistant Superintendent of Business Services.
3. The result of paragraph 2 above shall be divided by 43,560. The result is the Backup Special Tax per square foot of Acreage which shall be applicable to Assessor's Parcels of Developed Property classified as Residential Property in such changed or modified Final Map area contained within the boundaries of CFD No. 2020-1 IA-1, subject to increases pursuant to Section C.1.d.

### a. Maximum Special Tax

The Maximum Special Tax for Undeveloped Property, Property Owner Association Property and Public Property that is not Exempt Property within CFD No. 2020-1 IA-1 shall be \$6,538.16 per Acre for Fiscal Year 2020/21.

## D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

Commencing with Fiscal Year 2020/21 and for each following Fiscal Year, the Special Taxes shall be levied within CFD No. 2020-1 IA-1 in an amount sufficient to satisfy the Special Tax Requirement as follows:

First: The Special Tax shall be levied on each Assessor's Parcel of Developed Property in an amount equal to the applicable Assigned Special Tax;

Second: If additional moneys are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property in an amount up to 100% of the Maximum Special Tax for Undeveloped Property to satisfy the Special Tax Requirement; and

Third: If additional moneys are needed to satisfy the Special Tax Requirement after the first two steps have been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Public Property and Property Owner Association Property which is not Exempt Property at up to 100% of the Maximum Special Tax for Property Owner Association Property and Public Property to satisfy the Special Tax Requirement; and

E. EXEMPTIONS

Any Assessor's Parcel within the boundaries of CFD No. 2020-1 IA-1 that is owned or irrevocably dedicated to a public agency as of the date of formation of CFD No. 2020-1 IA-1 shall be classified as Exempt Property and shall be exempt from the Special Tax in accordance with Section 53340 of the Act. The total Acreage of Taxable Property within CFD No. 2020-1 IA-1 has been determined to be equal to 36.46 Acres as of the date of formation of CFD No. 2020-1 IA-1.

Tax exempt status will be irrevocably assigned by the Assistant Superintendent of Business Services in the chronological order in which property becomes Public Property or Property Owner Association Property provided however, that no such classification shall reduce the Acreage of all Taxable Property within CFD No. 2020-1 IA-1 to less than 32.81 Acres. Public Property or Property Owner Association Property that would, if designated as Exempt Property, cause the Acreage of all Taxable Property to be less than 32.81 Acres shall be required to either (i) prepay the Special Tax for such property in full at the then applicable rate per Acre for Property Owner Association Property or Public Property applied to the Acres of such property, which resulting amount is to be used as the Assigned Special Tax in the calculation of the prepayment pursuant to Section I.1 or (ii) be subject to taxation pursuant to the third step of Section D.

F. APPEAL

Any property owner claiming that the amount or application of the Special Tax is not correct may file a written notice of appeal with the Assistant Superintendent of Business Services not later than twenty-four (24) months after having paid the first installment of the Special Tax that is disputed. The reissuance or cancellation of a building permit is not an eligible reason for appeal. The Assistant Superintendent of Business Services shall promptly review the appeal, and if necessary, meet with the property owner, consider written and oral evidence regarding the amount or application of the Special Tax, and rule on the appeal. If the Assistant Superintendent of Business Service's decision requires that the Special Tax for an Assessor's Parcel be modified or changed in favor of the property owner, the Assistant Superintendent of Business Services shall take any of the following actions, in order of priority, in order to correct the error; provided, however no action shall be taken that would cause a default under an Indenture:

- (i) amend the Special Tax levy for the current fiscal year prior to the payment date;
- (ii) require CFD No. 2020-1 IA-1 to reimburse the property owner the amount of the overpayment to the extent of available funds of CFD No. 2020-1 IA-1 and only for the preceding fiscal year; or
- (iii) grant a credit against, eliminate or reduce the future Special Taxes levied on the property owner's property within CFD No. 2020-1 IA-1 in the amount of the overpayment.

G. MANNER OF COLLECTION

The Special Tax will be collected in the same manner and at the same time as ordinary *ad valorem* property taxes; provided, however, that CFD No. 2020-1 IA-1 may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet its financial obligations, and may covenant to foreclose and may actually foreclose on delinquent Assessor's Parcels as permitted by the Act.

H. ASSIGNED SPECIAL TAX REMAINDER FROM DEVELOPED PROPERTY

In any Fiscal Year, when proceeds of Assigned Special Taxes from Developed Property are greater than the sum of (1) the principal and interest due on all Bonds to be paid with such proceeds, (2) the amount required to replenish all reserve funds to the reserve requirement and (3) the Administrative Expenses to be paid with such proceeds, such remaining amount(s) shall be available to the School District for application in accordance with each applicable Indenture and the School District shall use such proceeds for the acquisition, construction or financing school facilities in accordance with the Act and other applicable law.

I. PREPAYMENT OF SPECIAL TAX

**1. Prepayment in Full**

The Maximum Special Tax obligation may only be prepaid and permanently satisfied for an Assessor's Parcel of Developed Property, Undeveloped Property for which a building permit has been issued, and Public Property and/or Property Owner's Association Property that is not Exempt Property pursuant to Section E. The prepayment amount for an Assessor's Parcel of Undeveloped Property for which a building permit has been issued shall be based on the Assigned Special Tax for the applicable Land Use Category shown in Table 1 based on the building permit issued for such Assessor's Parcel and the then current Special Tax rates. The Maximum Special Tax obligation applicable to such Assessor's Parcel may be fully prepaid and the obligation to pay the Special Tax for such Assessor's Parcel permanently satisfied as described herein; provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to such Assessor's Parcel at the time of prepayment. An owner of an Assessor's Parcel intending to prepay the Maximum Special Tax obligation shall provide the Assistant Superintendent of Business Services with written notice of intent to prepay, and within five (5) days of receipt of such notice, the Assistant Superintendent of Business Services shall notify such owner of the amount of the non-refundable deposit determined to cover the cost to be incurred by CFD No. 2020-1 IA-1 in calculating the proper amount of a prepayment. Within fifteen (15) days of receipt of such non-refundable deposit, the Assistant Superintendent of Business Services shall notify such owner of the prepayment amount of such Assessor's Parcel.

- a) The prepayment amount for an Assessor's Parcel will be equal to the present value of the Assigned Special Tax of such Assessor's Parcel and the amount determined

pursuant to Section I.1.c., if applicable, using a discount rate equal to 5.00% prior to the Issuance of Bonds or the Weighted Average Interest Rate after the issuance of Bonds and the lesser of (i) the remaining term for which the Special Tax may be levied pursuant to Section J or (ii) 30 years. Special Taxes that have already been levied as of the date of the prepayment shall not be considered in the calculations made pursuant to this Section I.1.

- b) A reasonable administrative fee (net of the non-refundable deposit) for determining such prepayment and the call premium, if any, as provided in the Indenture shall be added to the amount determined in Section I.1.a. to determine the total prepayment amount due.
- c) If at the date of the prepayment calculation all or a portion of the Backup Special Tax is being levied as a result of the total Residential Property within CFD No. 2020-1 IA-1 being less than the total estimated Residential Property that was assumed when the Bonds were issued as determined by the Assistant Superintendent of Business Services, that portion of the Backup Special Tax being levied in excess of the Assigned Special Tax for the Assessor's Parcel which is seeking the prepayment shall be added to the Assigned Special Tax in Section I.1.a. (before calculating the present value) for purposes of calculating the prepayment amount.
- d) The prepayment amount shall, prior to the issuance of Bonds and after reduction for administrative expenses, be deposited into a separate account held with the School District and disbursed to fund facilities authorized by CFD No. 2020-1 IA-1 and in accordance with the school facilities mitigation agreement and joint community facilities agreement approved by the School District related to CFD No. 2020-1 IA-1, and after the issuance of Bonds be deposited into the applicable accounts or funds established pursuant to the Indenture.

Upon cash payment of the prepayment amount due pursuant to the above and upon owner providing confirmation from the County to the Assistant Superintendent of Business Services that all prior and current Fiscal Year's Special Taxes, including any delinquency penalties and interest, for such Assessor's Parcel has been paid, the School District shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of Special Taxes and the release of the Special Tax lien on such Assessor's Parcel, and the obligation of such Assessor's Parcel to pay the Special Tax shall cease.

Notwithstanding the foregoing, no Special Tax prepayment shall be allowed unless the amount of Maximum Special Taxes that may be levied on Taxable Property both prior to and after the proposed prepayment is at least 1.1 times the maximum annual debt service on all Outstanding Bonds.

Notwithstanding any of the foregoing, the Special Tax for an Assessor's Parcel shall be deemed to be prepaid in whole on the date on which a notice of special tax lien is recorded against the Assessor's Parcel showing that such Assessor's Parcel has been included in a separate Community Facilities District of the Beaumont Unified School District. Upon such

occurrence the School District shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of Special Taxes and the release of the Special Tax lien on such Assessor's Parcel, and the obligation of such Assessor's Parcel to pay the Special Tax shall cease.

The amount of the prepayment shall be calculated as in Section I.1; except that a partial prepayment shall be calculated according to the following formula:

$$PP = (P_E \times F) + G$$

These terms have the following meaning:

- PP = the partial prepayment amount
- P<sub>E</sub> = the prepayment amount calculated according to Section I.1.a., and the call premium, if any, as determined by Section I.1.b.
- F = the percent by which the owner of the Assessor's Parcel(s) is partially prepaying the Maximum Special Tax.

Within fifteen (15) days of receipt of such non-refundable deposit, the Assistant Superintendent of Business Services shall notify such owner of the partial prepayment amount of such Assessor's Parcel.

With respect to any Assessor's Parcel that is partially prepaid, the Assistant Superintendent of Business Services shall (i) distribute the funds remitted pursuant to Section I.1.d, and (ii) indicate in the records of CFD No. 2020-1 IA-1 that there has been a partial prepayment of the Maximum Special Tax and that a portion of the Assigned Special Tax and Backup Special Tax equal to the outstanding percentage (1.00 - F) of the Assigned Special Tax and Backup Special Tax shall continue to be authorized to be levied on such Assessor's Parcel pursuant to Section D.
