B. Formation

CFD No. 21 was formed and established by the School District on September 15, 2021, under the Act, following a public hearing conducted by the Board of Education of the School District (the “Board”), as legislative body of CFD No. 21, and a landowner election at which the qualified electors of CFD No. 21 authorized CFD No. 21 to incur bonded indebtedness in an amount not to exceed \$60,000,000 and approved the levy of Annual Special Taxes.

The table below provides information related to the formation of CFD No. 21.

C. Bonds

1. Bond Pooling Debt

Since 1989 the School District, acting on behalf of Community Facilities Districts has issued a number of special tax bonds and certificates of participation (“COPs”) to finance the acquisition of land and construct facilities on a number of elementary school sites that serve the CFD developments. Specifically, in 1989, the School District issued its first Special Tax Bonds which were repaid from taxes levied in its first CFD. Since that time the District has issued additional debt under a bond-pooling concept in which taxes from multiple CFDs secure multiple outstanding debt issues.

Through June 30, 2025, four Special Tax Bond issues, eleven COP issues and a Letter of Credit have been issued to finance the construction of a portion of thirteen elementary schools and ancillary facilities to serve the various CFD communities. As a result of favorable market conditions, much of this debt has been refinanced and a total of nine refinancings transactions have been completed to reduce interest payments on the outstanding debt.

Currently, there are no outstanding debt issues which have been wholly or partially allocated to CFD No. 21, although the possibility of future debt issues being allocated to CFD No. 21 does exist.

II. Fiscal Year 2024/2025 Annual Special Tax

Each Fiscal Year, CFD No. 21 levies and collects Annual Special Taxes pursuant to the RMA in order to meet the obligation for that Fiscal Year. This Section provides a summary of the levy and collection of Annual Special Taxes in Fiscal Year 2024/2025.

For avoidance of doubt, the Assigned Annual Special Tax rate applicable in the Initial Fiscal Year of any particular Assessor's Parcel of Developed Property shall be subject to adjustment in accordance with this Paragraph 3.a.

b. Existing Developed Property

On July 1 of each Fiscal Year following the Initial Fiscal Year of an Assessor's Parcel of Developed Property, the Assigned Annual Special Tax rate for such Assessor's Parcel shall be increased by an amount equal to the Assigned Annual Special Tax rate in effect in the immediately prior Fiscal Year multiplied by two percent (2.0%).

c. Undeveloped Property and Provisional Undeveloped Property

On July 1 of each Fiscal Year, commencing on July 1, 2022, the Assigned Annual Special Tax rate per Acre for Undeveloped Property and for Provisional Undeveloped Property shall be increased by an amount equal to the greater of: (i) the Assigned Annual Special Tax rate in effect in the immediately prior Fiscal Year multiplied by the positive change in the Cost Index over the previous 12-month period (as a percentage), and (ii) the Assigned Annual Special Tax rate in effect in the immediately prior Fiscal Year multiplied by two percent (2.0%).

**SECTION V
BACKUP ANNUAL SPECIAL TAX**

Each Fiscal Year, each Assessor's Parcel of Developed Property shall be subject to a Backup Annual Special Tax.

1. Calculation of the Backup Annual Special Tax Rate

Subject to increases as described below in this Section, the Backup Annual Special Tax rate for an Assessor's Parcel of Developed Property within a Final Map shall be the rate per Lot calculated in accordance with the following formula, as of the Fiscal Year in which the Final Map is recorded:

$$B = (U \times A) / L$$

The terms above have the following meanings:

B = Backup Annual Special Tax per Lot for the applicable Fiscal Year

- U = Assigned Annual Special Tax per Acre of Undeveloped Property in the Fiscal Year the calculation is performed
- A = Acreage of Developed Property expected to exist in such Final Map at the time of calculation, as determined by the Administrator. The Acreage applicable to a Condominium shall be computed as described in the definition of "Lot" herein.
- L = Number of Lots in the applicable Final Map at the time of calculation, exclusive of any Lots which are expected to be classified as Exempt Property or Provisional Undeveloped Property.

2. Changes to a Final Map

If the Final Map(s) described in the preceding paragraph are subsequently changed or modified, then the Backup Annual Special Tax for each Assessor's Parcel of Developed Property changed or modified in each such Final Map shall be a rate per square foot of Acreage calculated as follows:

- a. Determine the total Backup Annual Special Tax revenue anticipated to apply to the changed or modified Assessor's Parcels prior to the change or modification.
- b. The result of paragraph a above shall be divided by the Acreage of Taxable Property of the modified Assessor's Parcels, as reasonably determined by the Administrator.
- c. The result of paragraph b above shall be divided by 43,560. The result is the Backup Annual Special Tax per square foot of Acreage that shall be applicable to the modified Assessor's Parcels, subject to increases as described below.

3. Increase in the Backup Annual Special Tax

On July 1 of each Fiscal Year, commencing on July 1, 2022, the Backup Annual Special Tax rate for Assessor's Parcels of Developed Property shall be increased by an amount equal to the greater of: (i) the Backup Annual Special Tax rate in effect in the immediately prior Fiscal Year multiplied by the positive change in the Cost Index over the preceding 12-month period, and (ii) the Backup Annual Special Tax rate in effect in the immediately prior Fiscal Year multiplied by two percent (2.00%) of the Backup Annual Special Tax amount in effect in the immediately prior Fiscal Year. For avoidance of doubt, the Backup Annual Special Tax rate applicable in the Initial Fiscal Year of any particular Assessor's Parcel of Developed Property shall be subject to adjustment in accordance with this the foregoing provisions of this Paragraph 3. On July 1 of each Fiscal Year following the Initial Fiscal Year of an Assessor's Parcel of Developed Property, the Backup Annual Special Tax rate for such Assessor's Parcel shall be increased by an amount equal to the Backup Annual Special Tax rate in effect in the immediately prior Fiscal Year multiplied by two percent (2.0%).

**SECTION VI
METHOD OF APPORTIONMENT OF THE SPECIAL TAX**

Commencing Fiscal Year 2021/2022 and for each subsequent Fiscal Year, the Board shall levy Special Taxes on all Taxable Property in accordance with the following steps:

Step One: The Special Tax shall be levied on each Assessor's Parcel of Developed Property in an amount not in excess of the Assigned Annual Special Tax applicable to each such Assessor's Parcel.

Step Two: If additional moneys will be needed to satisfy the Annual Special Tax Requirement after the Step One calculations have been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property in an amount not in excess of the Assigned Annual Special Tax applicable to each such Assessor's Parcel, as needed to satisfy the Annual Special Tax Requirement.

Step Three: If additional moneys will be needed to satisfy the Annual Special Tax Requirement after the Step Two calculations have been completed, the Special Tax on each Assessor's Parcel of Developed Property whose Annual Maximum Special Tax is the Backup Annual Special Tax shall be increased Proportionately from the Assigned Annual Special Tax by an amount not in excess of the Backup Annual Special Tax applicable to each such Assessor's Parcel, as needed to satisfy the Annual Special Tax Requirement.

Step Four: If additional moneys will be needed to satisfy the Annual Special Tax Requirement after the Step Three calculations have been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Provisional Undeveloped Property in an amount not in excess of the Assigned Annual Special Tax applicable to each such Assessor's Parcel, as needed to satisfy the Annual Special Tax Requirement.

**SECTION VII
PREPAYMENT OF SPECIAL TAXES**

The Special Tax obligation of an Assessor's Parcel of Developed Property or Undeveloped Property for which a building permit has been issued may be prepaid, in full only, provided that there are no delinquent Special Taxes, penalties, or interest charges outstanding with respect to such Assessor's Parcel, or that all of such amounts are paid concurrently with the Prepayment Amount. An owner of an Assessor's Parcel intending to prepay the Annual Maximum Special Tax shall provide the CFD with written notice of intent to prepay. Within thirty (30) days of receipt of such written notice, the Administrator shall determine the Prepayment Amount for such Assessor's Parcel and shall notify the owner of such Prepayment Amount.

Full Prepayment of Special Tax

The Prepayment Amount shall be calculated according to the following formula:

$$P = PVT + PAF$$

The terms above have the following meanings:

P	=	Prepayment Amount
PVT	=	Present Value of Taxes
PAF	=	Prepayment Administrative Fees

With respect to any Assessor's Parcel for which the Special Tax has been prepaid, the Board shall indicate in the records of the CFD that there has been a prepayment of the Special Tax obligation and shall cause a suitable notice to be recorded in compliance with the Act to indicate the prepayment of the Special Tax obligation and the release of the Special Tax lien on such Assessor's Parcel, and the obligation of such Assessor's Parcel to pay such Special Tax shall cease.

Notwithstanding the foregoing, no prepayment shall be allowed unless the amount of Assigned Annual Special Taxes that subsequently may be levied on Taxable Property, other than Provisional Undeveloped Property, less Administrative Expenses, shall be at least 1.1 times the regularly scheduled annual interest and principal payments on all currently outstanding Bonds in each future Fiscal Year, and such prepayment will not impair the security of all currently outstanding Bonds, as reasonably determined by the Administrator. Such determination shall take into account all Assessor's Parcels that are expected to be classified as Exempt Property, Restricted Residential Property, or Non-Residential Property.

SECTION VIII TERMINATION OF SPECIAL TAX

Provided that Special Taxes previously levied on an Assessor's Parcel are not delinquent, the lien of Special Taxes of the CFD shall terminate as to such Assessor's Parcel as follows: i) the close of the 30th Fiscal Year following the beginning of the Initial Fiscal Year for such Assessor's Parcel, or ii) the Special Tax obligation has been fully and completely discharged pursuant to Section VII.

The Board shall cause to be recorded in the official records of San Diego County a Notice of Cessation of Special Tax applicable to an Assessor's Parcel upon termination of the lien on such Assessor's Parcel.

SECTION IX EXEMPTIONS

The Administrator shall classify as Exempt Property in the chronological order in which each Assessor Parcel becomes (i) owned by any State of California, federal or local governmental entity, (ii) owned by a homeowners' association, (iii) burdened with one or more public or utility easements making impractical its use for other than the purposes set forth in the easement(s), (iv) Restricted Residential Property, (v) Non-Residential Property, or (vi) any other Assessor's Parcels at the reasonable discretion of the Board, provided that no such classification would reduce the Net Taxable Acreage to less than 103.16 Acres. Notwithstanding the above, the Administrator or Board shall not classify an Assessor's Parcel as Exempt Property if such classification would reduce the

sum of all Taxable Property to less than 103.16 Acres. Assessor's Parcels that otherwise would be Exempt Property, but cannot be classified as Exempt Property because such classification would reduce the Acreage of all Taxable Property to less than the minimum Net Taxable Acreage, shall be classified as Provisional Undeveloped Property, and shall be subject to the levy and collection of Special Taxes accordingly.

SECTION X APPEALS

Any owner or resident of a property within the CFD who paid a Special Tax levied on such property and who reasonably believes that the Special Tax was not correctly calculated and/or levied in accordance with this RMA may file a notice with the School District, to thereby appeal the levy of that Special Tax, together with such documentation as the property owner or resident believes evidences the incorrect calculation or levy. An appeal panel of three members appointed by the School District ("Appeals Panel") will review the appeal and communicate its findings to the property owner or resident. If the Appeals Panel determines that the Special Tax should be modified or other correction implemented, it will recommend such correction to the Board and, as appropriate, the Special Tax levy shall be corrected, and in applicable cases, refunds shall be granted. An appeal relating to any particular Special Tax must be filed with the School District not later than one year and five days following the mailing to the property owner or resident of the tax bill that includes such Special Tax, and the Property Owner and/or resident shall be deemed and construed to have waived any and all rights to an appeal and to any refund, if the appeal is not filed within such one-year and five-day period.

Interpretations may be made by the School District for purposes of clarifying any vagueness or ambiguity as it relates to any category, rate or definition applicable to any appeal proceedings so long as such interpretations are consistent with the Mitigation Agreement.

SECTION XI MANNER OF COLLECTION

The Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes and shall be subject to the same penalties, the same procedure, sale and lien priority in the case of delinquency; provided, however, that the CFD may directly bill all or a portion of the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet its financial obligations, and if so collected, a delinquent penalty of ten percent (10%) of the Special Tax will attach at 5:00 p.m. on the date the Special Tax becomes delinquent and interest at 1.5% per month of the Special Tax will attach on the July 1 after the delinquency date and the first of each month thereafter until such Special Taxes are paid.
