MAXIMUM SPECIAL TAX RATE

Prior to the issuance of Bonds, the Maximum Special Tax and Assigned Annual Special Tax on Developed Property, Approved Property, Undeveloped Property and Provisional Undeveloped Property may be reduced in accordance with and subject to the conditions set forth in this Section C without the need for any proceedings to make changes as permitted under the Act. If it is reasonably determined by the Administrator that the maximum tax burden in the District exceeds the School District's maximum tax burden objective set forth in the Mitigation Agreement, the Maximum Special Tax and Assigned Annual Special Tax on Developed Property for a Land Use Class may be reduced. The Maximum Special Tax and Assigned Annual Special Tax may be reduced to the amount necessary to equal such maximum tax burden level with the written consent of the Administrator and without the need for any additional Board proceedings.

The Maximum Special Tax and Assigned Annual Special Tax for Approved Property, Undeveloped Property and Provisional Undeveloped Property may also be reduced in accordance with the Maximum Special Tax reductions for Developed Property, if the Administrator reasonably determines that such reductions are necessary. Each Maximum Special Tax and Assigned Annual Special Tax reduction for a Land Use Class shall be calculated separately, as reasonably determined by the Administrator, and it shall not be required that such reduction be proportionate among Land Use Classes. The reductions permitted pursuant to this Section C shall be reflected in an amended notice of Special Tax lien which the School District shall cause to be recorded by executing a certificate in substantially the form attached herein as Exhibit A.

1. Developed Property

The Maximum Special Tax for each Assessor's Parcel classified as Developed Property shall be the greater of the amount derived by the application of the (a) Assigned Annual Special Tax or (b) Backup Annual Special Tax.

2. Approved Property

The Maximum Special Tax for each Assessor's Parcel classified as Approved Property shall be derived by the application of the Assigned Annual Special Tax.

3. Undeveloped Property

The Maximum Special Tax for each Assessor's Parcel classified as Undeveloped Property or Provisional Undeveloped Property shall be derived by the application of the Assigned Annual Special Tax.

SECTION D
ASSIGNED ANNUAL SPECIAL TAXES

1. Developed Property

The Assigned Annual Special Tax for each Assessor's Parcel of Developed Property will be determined in accordance with Table 2 below according to the Land Use Class of the Unit, subject to the increases as described below.

Table 2
Assigned Annual Special Taxes for
Developed Property

Land Use Class	Building Square Footage	Assigned Annual Special Tax
1	< 2,901 sq. ft.	\$2,811.00 per Unit
2	2,901 – 3,100 sq. ft.	\$2,918.00 per Unit
3	3,101 – 3,300 sq. ft.	\$3,114.50 per Unit
4	3,301 – 3,500 sq. ft.	\$3,311.00 per Unit
5	> 3,500 sq. ft.	\$3,507.50 per Unit

2. Approved Property, Undeveloped Property and Provisional Undeveloped Property

The Assigned Annual Special Tax for each Assessor's Parcel of Approved Property, Undeveloped Property, or Provisional Undeveloped Property shall be \$14,135.59 per acre of Acreage, subject to increases as described below.

3. Increases in the Assigned Annual Special Tax

a. Developed Property

On each July 1, commencing July 1, 2018, the Assigned Annual Special Tax rate applicable to Developed Property shall be increased by two percent (2%).

b. Approved Property, Undeveloped Property and Provisional Undeveloped Property

On each July 1, commencing July 1, 2018, the Assigned Annual Special Tax rate per acre of Acreage for Approved Property, Undeveloped Property and Provisional Undeveloped Property shall be increased by two percent (2%).

SECTION E
BACKUP ANNUAL SPECIAL TAX

Each Fiscal Year, each Assessor's Parcel of Developed Property shall be subject to a Backup Annual Special Tax.

1. Calculation of the Backup Annual Special Tax Rate

The Backup Annual Special Tax rate for an Assessor's Parcel of Developed Property within a Final Map shall be the rate per Lot calculated in accordance with the following formula in Fiscal Year 2017/2018 or such later Fiscal Year in which such Final Map is created, subject to increases as described below:

$$B = (U \times A) / L$$

The terms above have the following meanings:

- B = Backup Annual Special Tax per Lot for the applicable Fiscal Year
- U = Assigned Annual Special Tax per Acre of Undeveloped Property in the Fiscal Year the calculation is performed
- A = Acreage of Taxable Property expected to exist within such Final Map at the time of calculation, as determined by the Administrator
- L = Number of Lots within the applicable Final Map at the time of calculation

2. Changes to a Final Map

If the Final Map(s) described in the preceding paragraph are subsequently changed or modified, then the Backup Annual Special Tax for each Assessor's Parcel of Developed Property changed or modified in each such Final Map shall be a rate per square foot of Acreage calculated as follows:

- a. Determine the total Backup Annual Special Tax revenue anticipated to apply to the changed or modified Assessor's Parcels prior to the change or modification.
- b. The result of paragraph a above shall be divided by the Acreage of Taxable Property of the modified Assessor's Parcels, as reasonably determined by the Administrator.
- c. The result of paragraph b above shall be divided by 43,560. The result is the Backup Annual Special Tax per square foot of Acreage that shall be applicable to the modified Assessor's Parcels, subject to increases as described below.

3. Increase in the Backup Annual Special Tax

Each July 1, commencing the July 1 following the initial calculation of the Backup Annual Special Tax rate for Developed Property within a Final Map, the Backup Annual Special Tax for each Lot within such Final Map shall be increased by two percent (2%) of the amount in effect the prior Fiscal Year.

SECTION F METHOD OF APPORTIONMENT OF THE ANNUAL SPECIAL TAX

Commencing Fiscal Year 2017/2018 and for each subsequent Fiscal Year, the Board shall levy Annual Special Taxes on all Taxable Property in accordance with the following steps:

Step One: The Annual Special Tax shall be levied on each Assessor's Parcel of Developed Property at the Assigned Annual Special Tax applicable to each such Assessor's Parcel.

- Step Two:** If additional moneys are needed to satisfy the Special Tax Requirement after the first step has been completed, the Annual Special Tax shall be levied Proportionately on each Assessor's Parcel of Approved Property up to 100% of the Assigned Annual Special Tax applicable to each such Assessor's Parcel as needed to satisfy the Special Tax Requirement.
- Step Three:** If additional moneys are needed to satisfy the Special Tax Requirement after the second step has been completed, the Annual Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property up to 100% of the Assigned Annual Special Tax applicable to each such Assessor's Parcel as needed to satisfy the Special Tax Requirement.
- Step Four:** If additional moneys are needed to satisfy the Special Tax Requirement after the third step has been completed, the Annual Special Tax on each Assessor's Parcel of Developed Property, for which the Maximum Special Tax is the Backup Annual Special Tax, shall be increased Proportionately from the Assigned Annual Special Tax up to 100% of the Backup Annual Special Tax applicable to each such Assessor's Parcel as needed to satisfy the Special Tax Requirement.
- Step Five:** If additional moneys are needed to satisfy the Special Tax Requirement after the fourth step has been completed, the Annual Special Tax shall be levied Proportionately on each Assessor's Parcel of Provisional Undeveloped Property up to 100% of the Assigned Annual Special Tax applicable to each such Assessor's Parcel as needed to satisfy the Special Tax Requirement.

SECTION G PREPAYMENT OF SPECIAL TAXES

1. Special Tax Prepayment Times and Conditions

The Special Tax obligation of an Assessor's Parcel of Taxable Property may be prepaid, provided that there are no delinquent Special Taxes, penalties, or interest charges outstanding with respect to such Assessor's Parcel. An owner of an Assessor's Parcel intending to prepay the Special Tax shall provide the School District with written notice of intent to prepay. Within thirty (30) days of receipt of such written notice, the Administrator shall determine the Prepayment Amount for such Assessor's Parcel and shall notify such owner of such Prepayment Amount.

2. Special Tax Prepayment Calculation

The Prepayment Amount shall be calculated according to the following formula:

$$P = PVT - RFC + PAF$$

The terms above have the following meanings:

P	=	Prepayment Amount
PVT	=	Present Value of Taxes
RFC	=	Reserve Fund Credit
PAF	=	Prepayment Administrative Fees

3. Special Tax Prepayment Procedures and Limitations

With respect to any Assessor's Parcel for which the Special Tax is prepaid, the Board shall indicate in the records of the District that there has been a prepayment of the Special Tax obligation and shall cause a suitable notice to be recorded in compliance with the Act to indicate the prepayment of the Special Tax obligation and the release of the Special Tax lien on such Assessor's Parcel, and the obligation of such Assessor's Parcel to pay such Special Tax shall cease.

Notwithstanding the foregoing, no prepayment will be allowed unless the amount of Assigned Annual Special Taxes that may be levied on Taxable Property, excluding Provisional Undeveloped Property, after such prepayment net of Administrative Expenses, shall be at least 1.1 times the regularly scheduled annual interest and principal payments on all currently outstanding Bonds in each future Fiscal Year and such prepayment will not impair the security of all currently outstanding Bonds, as reasonably determined by the Administrator. Such determination shall include identifying all Assessor's Parcels that are expected to be classified as Exempt Property.

Notwithstanding the above, the ability to prepay the Annual Special Tax obligation of an Assessor's Parcel may be suspended, by the Administrator, acting in his or her absolute and sole discretion for and on behalf of the CFD, without notice to the owners of property within the District for a period of time, not to exceed sixty (60) days, prior to the scheduled issuance of Bonds by the CFD, on behalf of the District, to assist in the efficient preparation of the required bond market disclosure.

**SECTION H
PARTIAL PREPAYMENT OF SPECIAL TAXES**

1. Partial Prepayment Times and Conditions

The Special Tax obligation for Assessor's Parcels of Taxable Property may be partially prepaid in increments of ten (10) Units, provided that there are no delinquent Special Taxes, penalties, or interest charges outstanding with respect to such Assessor's Parcels at the time the Special Tax obligation would be partially prepaid. An owner of an Assessor's Parcel(s) intending to partially prepay the Special Tax shall provide the District with written notice of their intent to partially prepay. Within thirty (30) days of receipt of such written notice, the Administrator shall determine the Partial Prepayment Amount of such Assessor's Parcel and shall notify such owner of such Partial Prepayment Amount.

2. Partial Prepayment Calculation

The Partial Prepayment Amount shall be calculated according to the following formula:

$$PP = PVT \times F - RFC + PAF$$

The terms above have the following meanings:

PP = the Partial Prepayment Amount

PVT = Present Value of Taxes

F	=	the percent by which the owner of the Assessor's Parcel is partially prepaying the Special Tax obligation
RFC	=	Reserve Fund Credit
PAF	=	Prepayment Administrative Fees

3. Partial Prepayment Procedures and Limitations

With respect to any Assessor's Parcel for which the Special Tax obligation is partially prepaid, the Board shall indicate in the records of the District that there has been a partial prepayment of the Special Tax obligation and shall cause a suitable notice to be recorded in compliance with the Act to indicate the partial prepayment of the Special Tax obligation and the partial release of the Special Tax lien on such Assessor's Parcel, and the obligation of such Assessor's Parcel to pay such prepaid portion of the Special Tax shall cease. Additionally, the notice shall indicate that the Assigned Annual Special Tax and the Backup Annual Special Tax if applicable for the Assessor's Parcel has been reduced by an amount equal to the percentage which was partially prepaid.

Notwithstanding the foregoing, no partial prepayment will be allowed unless the amount of Special Taxes that may be levied on Taxable Property, excluding Provisional Undeveloped Property, after such partial prepayment, net of Administrative Expenses, shall be at least 1.1 times the regularly scheduled annual interest and principal payments on all currently outstanding Bonds in each future Fiscal Year and such partial prepayment will not impair the security of all currently outstanding Bonds, as reasonably determined by the Administrator. Such determination shall include identifying all Assessor's Parcels that are expected to be classified as Exempt Property.

Notwithstanding the above, the ability to prepay the Annual Special Tax obligation of an Assessor's Parcel may be suspended, by the Administrator, acting in his or her absolute and sole discretion for and on behalf of the CFD, without notice to the owners of property within the District for a period of time, not to exceed sixty (60) days, prior to the scheduled issuance of Bonds by the CFD, on behalf of the District, to assist in the efficient preparation of the required bond market disclosure.

SECTION I ANNUAL SPECIAL TAX REMAINDER

In any Fiscal Year which the Annual Special Taxes collected from Developed Property exceeds the amount needed to make regularly scheduled annual interest and principal payments on outstanding Bonds and pay Administrative Expenses, the School District may use such amount for acquisition, construction or financing of school facilities and certain costs associated with the maintenance and operations of school facilities in accordance with the Act, CFD proceedings and other applicable laws as determined by the Board.

SECTION J TERMINATION OF SPECIAL TAX

The Annual Special Tax shall be levied for a term of three (3) Fiscal Years after the final maturity of the last series of Bonds, provided that the Annual Special Tax shall not be levied later than Fiscal Year 2061/2062. However, the Special Tax may cease to be levied in an earlier Fiscal Year if the Board has determined (i) that all required interest and principal payments on the Bonds have been paid or satisfied, (ii) all authorized facilities of the CFD have been acquired and all reimbursements have been paid, and (iii) all other obligations of the CFD have been satisfied.

SECTION K EXEMPTIONS

The Administrator shall classify as Exempt Property in the chronological order in which each Assessor Parcel becomes (i) owned by the State of California, federal or other local governments, (ii) used as places of worship and are exempt from *ad valorem* property taxes because they are owned by a religious organization, (iii) owned by a homeowners' association, (iv) burdened with a public or utility easements making impractical their utilization for other than the purposes set forth in the easement, or (v) any other Assessor's Parcels at the reasonable discretion of the Board, provided that no such classification would reduce the Net Taxable Acreage to less than 12.789 ("Minimum Taxable Acreage").

Notwithstanding the above, the Administrator or Board shall not classify an Assessor's Parcel as Exempt Property if such classification would reduce the sum of all Taxable Property to less than the Minimum Taxable Acreage. Assessor's Parcels which cannot be classified as Exempt Property because such classification would reduce the Acreage of all Taxable Property to less than the Minimum Taxable Acreage will be classified as Provisional Undeveloped Property, as applicable, and will continue to be subject to Special Taxes accordingly.

SECTION L APPEALS

Any property owner claiming that the amount or application of the Special Tax is not correct may file a written notice of appeal with the Administrator to be received by the Administrator not later than six (6) months after having paid the first installment of the Special Tax that is disputed. The reissuance or cancellation of a building permit is not an eligible reason for appeal. In order to be considered sufficient, any notice of appeal must (i) specifically identify the property by address and Assessor's Parcel Number, (ii) state the amount in dispute and whether it is the whole amount or only a portion of the Annual Special Tax, (iii) state all grounds on which the property owner is disputing the amount or application of the Annual Special Tax, including a reasonably detailed explanation as to why the amount or application of such Special Tax is incorrect, (iv) include all documentation, if any, in support of the claim, and (v) be verified under penalty of perjury by the person who paid the Special Tax or his or her guardian, executor or administrator. The Administrator shall promptly review the appeal, and if necessary, meet with the property owner, consider written and oral evidence regarding the amount of the Special Tax, and rule on the appeal. If the Administrator's decision requires that the Special Tax for an Assessor's Parcel be modified or changed in favor of the property owner, a cash refund shall not be made (except for the last year of levy), but an adjustment shall be made to the Annual Special Tax on that Assessor's Parcel in the subsequent Fiscal Year(s) as the representative's decision shall indicate.

SECTION M
MANNER OF COLLECTION

The Annual Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes and shall be subject to the same penalties, the same procedure, sale and lien priority in the case of delinquency; provided, however, that the District may directly bill all or a portion of the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet its financial obligations, and if so collected, a delinquent penalty of ten percent (10%) of the Special Tax will attach at 5:00 p.m. on the date the Special Tax becomes delinquent and interest at 1.5% per month of the Special Tax will attach on the July 1 after the delinquency date and the first of each month thereafter until such Special Taxes are paid.
