* Note: The Backup Special Tax per Lot shown may be modified as described below.

Notwithstanding the foregoing, if all or any portion of the Final Map(s) described in the preceding paragraph is subsequently changed or modified, then the Backup Special Tax for each Assessor's Parcel of Residential Property in such Final Map area that is changed or modified shall be a rate per square foot of Acreage calculated as follows:

1. Determine the total Backup Special Taxes anticipated to apply to the changed or modified Final Map area prior to the change or modification.
2. The result of paragraph 1 above shall be divided by the total Acreage of Taxable Property excluding the Acreage associated with Non-Residential Property, Public Property and Property Owner Association Property which is ultimately expected to exist in such changed or modified Final Map area, as reasonably determined by the Assistant Superintendent of Business Services.
3. The result of paragraph 2 above shall be divided by 43,560. The result is the Backup Special Tax per square foot of Acreage which shall be applicable to Assessor's Parcels of Developed Property classified as

Residential Property in such changed or modified Final Map area for all remaining Fiscal Years in which the Special Tax may be levied.

d. Escalation

Commencing in January of 2006 to be effective for Fiscal Year 2006/2007, the Assigned Special Taxes and the Backup Special Tax shall escalate by two percent (2%) annually and annually thereafter.

2. Undeveloped Property

a. Maximum Special Tax

The Maximum Special Tax for Undeveloped Property within CFD 2005-4 shall be \$11,088.39 per Acre.

b. Escalation

Commencing in January of 2006 to be effective for Fiscal Year 2006/2007, the Maximum Special Tax for Undeveloped Property shall escalate by two percent (2%) annually and annually thereafter.

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

Commencing with Fiscal Year 2005/2006 and for each following Fiscal Year, the School District shall levy the Special Tax as follows:

First: The Special Tax shall be levied on each Assessor's Parcel of Developed Property at the applicable Assigned Special Tax;

Second: If additional moneys are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property including Public Property and Property Owner Association Property which is not then exempt at up to 100% of the Maximum Special Tax for Undeveloped Property;

Third: If additional moneys are needed to satisfy the Special Tax Requirement after the first two steps have been completed, then the levy of the Special Tax on each Assessor's Parcel of Developed Property whose Maximum Special Tax is determined through the application of the Backup Special Tax shall be increased Proportionately from the Assigned Special Tax up to the Maximum Special Tax as to each such Assessor's Parcel.

E. EXEMPTIONS

Tax exempt status will be irrevocably assigned by the Assistant Superintendent of Business Services in the chronological order in which property becomes Public Property or Property Owner Association Property provided however, that no such classification shall reduce the sum of all Taxable Property to less than 17.14 Acres. Property that is not exempt from Special Taxes under this section shall be required to prepay the Special Tax in full at the then applicable rate per Acre for Undeveloped Property pursuant to Section J.1. In the event the prepayment is not made pursuant to the preceding sentence, the Assessor's Parcels will be subject to taxation as Undeveloped Property pursuant to the second step of Section D.

F. APPEAL

Any property owner claiming that the amount or application of the Special Tax is not correct may file a written notice of appeal with the Assistant Superintendent of Business Services not later than twelve months after having paid the first installment of the Special Tax that is disputed. The Assistant Superintendent of Business Services shall promptly review the appeal, and if necessary, meet with the property owner, consider written and oral evidence regarding the amount of the Special Tax, and rule on the appeal. If the Assistant Superintendent of Business Service's decision requires that the Special Tax for an Assessor's Parcel be modified or changed in favor of the property owner, a cash refund shall not be made (except for the last year of levy), but an adjustment shall be made to the Annual Special Tax on that Assessor's Parcel in the subsequent Fiscal Year(s).

G. MANNER OF COLLECTION

The Special Tax will be collected in the same manner and at the same time as ordinary *ad valorem* property taxes; provided, however, that CFD No. 2005-4 may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet its financial obligations, and may covenant to foreclose and may actually foreclose on delinquent Assessor's Parcels as permitted by the Act.

H. EXCESS ASSIGNED ANNUAL SPECIAL TAX FROM DEVELOPED PROPERTY

In any Fiscal Year, when proceeds of Assigned Annual Special Tax for Developed Property are greater than principal, interest and Administrative Expenses such amount shall be available for the School District subject to any required reserve fund replenishment. The School District shall use proceeds for acquisition, construction or financing school facilities in accordance with the Act and other applicable law as determined by the School District.

I. PURPOSE OF THE SPECIAL TAXES

The proposed facilities to be financed include: A) elementary, middle, and high school buildings, as well as central administration and support facilities as needed and applicable, together with land and all necessary equipment of the School District; and B) Eastern Municipal Water District sewer and water facilities connection and facility capacity fees, as well as water and sewer facilities, together with an estimated useful life of five (5) years or longer to serve the properties within the District. The foregoing is only by way of explanation and is not a limitation or change to any of the provisions of this RMA.

J. PREPAYMENT OF SPECIAL TAX

The following definition applies to this Section J:

“Outstanding Bonds” means all previously issued bonds issued and secured by the levy of Special Taxes, which will remain outstanding after the first interest and/or principal payment date following the current Fiscal Year, excluding bonds to be redeemed at a later date with the proceeds of prior prepayments of Maximum Special Taxes.

1. Prepayment in Full

The Maximum Special Tax obligation may only be prepaid and permanently satisfied by an Assessor's Parcel of Developed Property, Undeveloped Property for which a building permit has been issued, Public Property and/or Property Owner's Association Property that is not Exempt Property pursuant to Section E. The Maximum Special Tax obligation applicable to such Assessor's Parcel may be fully prepaid and the obligation of the Assessor's Parcel to pay the Special Tax permanently satisfied as described herein; provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to such Assessor's Parcel at the time of prepayment. An owner of an Assessor's Parcel intending to prepay the Maximum Special Tax obligation shall provide the Assistant Superintendent of Business Services with written notice of intent to prepay, and within five (5) days of receipt of such notice, the Assistant Superintendent of Business Services shall notify such owner of the amount of the non-refundable deposit determined to cover the cost to be incurred by CFD No. 2005-4 in calculating the proper amount of a prepayment. Within fifteen (15) days of receipt of such non-refundable deposit, the Assistant Superintendent of Business Services shall notify such owner of the prepayment amount of such Assessor's Parcel.

- a) The prepayment amount for an Assessor's Parcel will be equal to the present value of the Assigned Special Tax of such Assessor's Parcel and the amount determined pursuant to Section J.1.c., if applicable, using a discount rate equal to 6.0% prior to the Issuance of Bonds or the weighted average interest rate on the Outstanding Bonds and the remaining term for which the Special Tax may be levied pursuant to Section J.

- b) A reasonable administrative fee (net of the non-refundable deposit) for determining such prepayment and the call premium, if any, as provided in the Indenture shall be added to the amount determined in Section J.1.a. to determine the total prepayment amount due. The total prepayment amount shall be distributed in accordance with the Indenture.
- c) If at the date of the prepayment calculation all or a portion of the Backup Special Tax is being levied as a result of the total Residential Property units within CFD No. 2005-4 at buildout being less than the total estimated residential units that were assumed when the Bonds were issued as determined by the Assistant Superintendent of Business Services, that portion of the Backup Special Tax being levied in excess of the Assigned Special Tax for the Assessor's Parcel which is seeking the prepayment shall be added to the Assigned Special Tax in Section J.1.a. for purposes of calculating the prepayment amount.

Upon cash payment of the prepayment amount due pursuant to Section J.1.b. and upon owner providing confirmation from the County to the Assistant Superintendent of Business Services that the current Fiscal Year's Special Tax levy for such Assessor's Parcel has been paid, the School District shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of Special Taxes and the release of the Special Tax lien on such Assessor's Parcel, and the obligation of such Assessor's Parcel to pay the Special Tax shall cease.

Notwithstanding the foregoing, no Special Tax prepayment shall be allowed unless the amount of Maximum Special Taxes that may be levied on Taxable Property both prior to and after the proposed prepayment is at least 1.1 times the maximum annual debt service on all Outstanding Bonds.

2. Prepayment in Part

The Maximum Special Tax on an Assessor's Parcel of Developed Property or an Assessor's Parcel of Undeveloped Property for which a building permit has been issued may be partially prepaid, provided an Assessor's Parcel of Developed Property may only be partially prepaid prior to or concurrent with the close of escrow of a sale to the initial homebuyer. The amount of the prepayment shall be calculated as in Section J.1; except that a partial prepayment shall be calculated according to the following formula:

$$PP = (P_E \times F) + G$$

These terms have the following meaning:

PP = the partial prepayment amount

P_E = the prepayment amount calculated according to Section J.1.a., the call premium, if any, as determined by Section J.1.b.

F = the percent by which the owner of the Assessor's Parcel(s) is partially prepaying the Maximum Special Tax.

G = the administrative fee determined in Section J.1.b.

The owner of an Assessor's Parcel who desires to partially prepay the Maximum Special Tax shall notify the Assistant Superintendent of Business Services of (i) such owner's intent to partially prepay the Maximum Special Tax, and (ii) the percentage by which the Maximum Special Tax shall be prepaid, and within five (5) days of receipt of such notice, the Assistant Superintendent of Business Services shall notify such owner of the amount of the non-refundable deposit determined to cover the cost to be incurred by CFD No. 2005-4 in calculating the proper amount of a partial prepayment. Within fifteen (15) days of receipt of such non-refundable deposit, the Assistant Superintendent of Business Services shall notify such owner of the partial prepayment amount of such Assessor's Parcel.

With respect to any Assessor's Parcel that is partially prepaid, the Assistant Superintendent of Business Services shall (i) distribute the funds remitted to it according to the Indenture, and (ii) indicate in the records of CFD No. 2005-4 that there has been a partial prepayment of the Maximum Special Tax and that a portion of the Maximum Special Tax equal to the outstanding percentage $(1.00 - F)$ of the remaining Maximum Special Tax shall continue to be authorized to be levied on such Assessor's Parcel pursuant to Section D.

K. TERM OF THE SPECIAL TAX

The Special Tax shall be levied annually on all Assessor's Parcels of Taxable Property for a maximum of thirty-five (35) years as Developed Property not to exceed Fiscal Year 2045-2046.
