The Maximum Special Tax for each Assessor’s Parcel of Non-Residential Property shall be the Assigned Special Tax described in Table 1.

b. Assigned Special Tax

The Assigned Special Tax for each Assessor’s Parcel of Developed Property is shown in Table 1 below.

TABLE 1
Assigned Special Taxes for Developed Property
Fiscal Year 2017/2018

Land Use Category	Taxable Unit	Developed Floor Area	Assigned Special Tax Per Taxable Unit
1 - Residential Property	DU	Less than 1,601 sq. ft.	\$1,697.00
2 - Residential Property	DU	1,601 sq. ft. to 1,1750 sq. ft.	\$1,748.04
3 - Residential Property	DU	1,751 sq. ft. to 1,900 sq. ft.	\$1,769.92
4 – Residential Property	DU	1,901 sq. ft. to 2,050 sq. ft.	\$1,813.67
5 – Residential Property	DU	Greater than 2,050 sq. ft.	\$1,850.13
6 – Non-Residential Property	Acre	N/A	\$35,227.72

c. Backup Special Tax

When a Final Map is recorded within CFD No. 2018-1 the Backup Special Tax for the Assessor's Parcels of Residential Property within such Final Map area shall be determined. The owner of the property within the Final Map area shall provide the Assistant Superintendent of Business Services a copy of the recorded Final Map and a listing of the square footage of all lots within such Final Map prior to the first request for a certificate of compliance from the School District.

The Backup Special Tax per Assessor's Parcel of Residential Property within a Final Map shall be determined by multiplying \$35,227.72 for Fiscal Year 2017/2018 by the total Acreage of Taxable Property, excluding the Acreage associated with Non-Residential Property, Public Property and Property Owner's Association Property in such Final Map and dividing such amount by the number of Assessor's Parcels that are or are expected to be Residential Property (i.e., the number of residential lots or dwelling units) within such Final Map. Table 2 below provides the projected Backup Special Tax for Fiscal Year 2017/2018 for Tract 32835. The actual Backup Special Tax for Tract 32835 will be calculated at the time the Final Map is recorded as described above.

TABLE 2
Backup Special Taxes
Fiscal Year 2017/2018

Map Status	Projected Final Map Acreage of Taxable Property	Projected Backup Special Tax per Lot or Dwelling Unit* (\$35,227.72 times 14.84 divided by 274 lots) \$1,907.97	Status of Backup Tax**	Projected Number of Dwelling Units
Tentative	14.84		Projected	274

* Note: The Backup Special Tax per lot or dwelling unit shown may be modified as described below.

Notwithstanding the foregoing, if all or any portion of the Final Map contained with the boundaries of CFD No. 2018-1 described in the preceding paragraph is subsequently changed or modified, then the Backup Special Tax for each Assessor's Parcel of Residential Property in such Final Map area contained with the boundaries of CFD No. 2018-1 that is changed or modified shall be a rate per square foot of Acreage calculated as follows:

1. Determine the total Backup Special Taxes anticipated to apply to the changed or modified Final Map area prior to the change or modification.
2. The result of paragraph 1 above shall be divided by the total Acreage of Taxable Property within such changed or modified Final Map area, excluding the Acreage associated with Non-Residential Property, Public Property and Property Owner Association Property which is ultimately expected to exist in such changed or modified Final Map area contained within the boundaries of CFD No. 2018-1, as reasonably determined by the Assistant Superintendent of Business Services.
3. The result of paragraph 2 above shall be divided by 43,560. The result is the Backup Special Tax per square foot of Acreage which shall be applicable to Assessor's Parcels of Developed Property classified as Residential Property in such changed or modified Final Map area contained within the boundaries of CFD No. 2018-1 for all remaining Fiscal Years in which the Special Tax may be levied.

d. Escalation

Commencing on January 1, 2018, to be effective for Fiscal Year 2018/2019, the Assigned Special Taxes and the Backup Special Tax shall escalate by two percent (2%) annually and annually thereafter.

2. Undeveloped Property

a. Maximum Special Tax

The Maximum Special Tax for Undeveloped Property within CFD 2018-1 shall be \$35,227.72 per Acre.

b. Escalation

Commencing on January 1, 2018, to be effective for Fiscal Year 2018/2019, the Maximum Special Tax for Undeveloped Property shall escalate by two percent (2%) annually and annually thereafter.

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

Commencing with Fiscal Year 2017/2018 and for each following Fiscal Year, the School District shall levy the Special Tax as follows:

First: The Special Tax shall be levied on each Assessor's Parcel of Developed Property at the applicable Assigned Special Tax;

Second: If additional moneys are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property including Public Property and Property Owner Association Property which is not then exempt at up to 100% of the Maximum Special Tax for Undeveloped Property; and

Third: If additional moneys are needed to satisfy the Special Tax Requirement after the first two steps have been completed, then the levy of the Special Tax on each Assessor's Parcel of Developed Property whose Maximum Special Tax is determined through the application of the Backup Special Tax shall be increased Proportionately from the Assigned Special Tax up to the Maximum Special Tax as to each such Assessor's Parcel.

E. EXEMPTIONS

Any property within the boundaries of CFD No. 2018-1 that is owned or irrevocably dedicated to a public agency as of the date of formation of CFD No. 2018-1 shall be classified as Exempt Property and shall be exempt from the Special Tax in accordance with Section 53340 of the Act. The Taxable Property has been determined at formation to be equal to 14.84 acres.

Tax exempt status will be irrevocably assigned by the Assistant Superintendent of Business Services in the chronological order in which property becomes Non-Residential Property, Public Property or Property Owner Association Property provided however, that no such classification shall reduce the sum of all Taxable Property to less than 13.65 Acres. Non-Residential Property, Public Property or Property Owner Association Property that would, if designated as exempt, cause the sum of all Taxable Property to be less than 13.65 Acres shall be required to either (i) prepay the Special Tax on such property in full at the then applicable rate per Acre for Undeveloped Property pursuant to Section I.1 or (ii) be subject to taxation as Undeveloped Property pursuant to the second step of Section D. Assessor's Parcels, or portions thereof, developed as Non-Residential Property are subject to the payment of applicable statutory fees.

F. APPEAL

Any property owner claiming that the amount or application of the Special Tax is not correct may file a written notice of appeal with the Assistant Superintendent of Business Services not later than twelve months after having paid the first installment of the Special Tax that is

disputed. The Assistant Superintendent of Business Services shall promptly review the appeal, and if necessary, meet with the property owner, consider written and oral evidence regarding the amount of the Special Tax, and rule on the appeal. If the Assistant Superintendent of Business Service's decision requires that the Special Tax for an Assessor's Parcel be modified or changed in favor of the property owner, a cash refund shall not be made (except for the last year of levy), but an adjustment shall be made to the Annual Special Tax on that Assessor's Parcel in the subsequent Fiscal Year(s).

G. MANNER OF COLLECTION

The Special Tax will be collected in the same manner and at the same time as ordinary *ad valorem* property taxes; provided, however, that CFD No. 2018-1 may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet its financial obligations, and may covenant to foreclose and may actually foreclose on delinquent Assessor's Parcels as permitted by the Act.

H. ASSIGNED ANNUAL SPECIAL TAX REMAINDER FROM DEVELOPED PROPERTY

In any Fiscal Year, when proceeds of Assigned Annual Special Tax for Developed Property are greater than principal and interest on Bonds and the Administrative Expenses, such amount(s) shall be available for the School District, subject to any required reserve fund replenishment. The School District shall use proceeds for acquisition, construction or financing school facilities in accordance with the Act and other applicable law, as determined by the School District.

I. PREPAYMENT OF SPECIAL TAX

1. Prepayment in Full

The Maximum Special Tax obligation may only be prepaid and permanently satisfied by an Assessor's Parcel of Developed Property, Undeveloped Property for which a building permit has been issued, and Public Property and/or Property Owner's Association Property that is not Exempt Property pursuant to Section E. The Maximum Special Tax obligation applicable to such Assessor's Parcel may be fully prepaid and the obligation of the Assessor's Parcel to pay the Special Tax permanently satisfied as described herein; provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to such Assessor's Parcel at the time of prepayment. An owner of an Assessor's Parcel intending to prepay the Maximum Special Tax obligation shall provide the Assistant Superintendent of Business Services with written notice of intent to prepay, and within five (5) days of receipt of such notice, the Assistant Superintendent of Business Services shall notify such owner of the amount of the non-refundable deposit determined to cover the cost to be incurred by CFD No. 2018-1 in calculating the proper amount of a prepayment. Within fifteen (15) days of receipt of such non-refundable deposit, the Assistant Superintendent of

Business Services shall notify such owner of the prepayment amount of such Assessor's Parcel.

- a) The prepayment amount for an Assessor's Parcel will be equal to the present value of the Assigned Special Tax of such Assessor's Parcel and the amount determined pursuant to Section I.1.c., if applicable, using a discount rate equal to 5.97% prior to the Issuance of Bonds or the lesser of the Weighted Average Interest Rate or 5.97% after the issuance of Bonds and the remaining term for which the Special Tax may be levied pursuant to Section J. Special Taxes that have already been levied as of the date of the prepayment shall not be considered in the calculations made pursuant to this Section I.1.
- b) A reasonable administrative fee (net of the non-refundable deposit) for determining such prepayment and the call premium, if any, as provided in the Indenture shall be added to the amount determined in Section I.1.a. to determine the total prepayment amount due. The total prepayment amount shall be distributed in accordance with the Indenture.
- c) If at the date of the prepayment calculation all or a portion of the Backup Special Tax is being levied as a result of the total Residential Property units within CFD No. 2018-1 at build out being less than the total estimated residential units that were assumed when the Bonds were issued as determined by the Assistant Superintendent of Business Services, that portion of the Backup Special Tax being levied in excess of the Assigned Special Tax for the Assessor's Parcel which is seeking the prepayment shall be added to the Assigned Special Tax in Section I.1.a. (before calculating the present value) for purposes of calculating the prepayment amount.

Upon cash payment of the prepayment amount due pursuant to the above and upon owner providing confirmation from the County to the Assistant Superintendent of Business Services that all prior and current Fiscal Year's Special Taxes, including any delinquency penalties and interest, for such Assessor's Parcel has been paid, the School District shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of Special Taxes and the release of the Special Tax lien on such Assessor's Parcel, and the obligation of such Assessor's Parcel to pay the Special Tax shall cease.

Notwithstanding the foregoing, no Special Tax prepayment shall be allowed unless the amount of Maximum Special Taxes that may be levied on Taxable Property both prior to and after the proposed prepayment is at least 1.1 times the maximum annual debt service on all Outstanding Bonds.

2. Prepayment in Part

The Maximum Special Tax on an Assessor's Parcel of Developed Property or an Assessor's Parcel of Undeveloped Property for which a building permit has been issued may be partially prepaid, provided an Assessor's Parcel of Developed Property may only be partially prepaid prior to or concurrent with the close of escrow of a sale to the initial homebuyer. The amount

of the prepayment shall be calculated as in Section I.1; except that a partial prepayment shall be calculated according to the following formula:

$$PP = (P_E \times F) + G$$

These terms have the following meaning:

- PP = the partial prepayment amount
- P_E = the prepayment amount calculated according to Section I.1.a., and the call premium, if any, as determined by Section I.1.b.
- F = the percent by which the owner of the Assessor's Parcel(s) is partially prepaying the Maximum Special Tax.
- G = the administrative fee determined in Section I.1.b.

The owner of an Assessor's Parcel who desires to partially prepay the Maximum Special Tax shall notify the Assistant Superintendent of Business Services of (i) such owner's intent to partially prepay the Maximum Special Tax, and (ii) the percentage by which the Maximum Special Tax shall be prepaid, and within five (5) days of receipt of such notice, the Assistant Superintendent of Business Services shall notify such owner of the amount of the non-refundable deposit determined to cover the cost to be incurred by CFD No. 2018-1 in calculating the proper amount of a partial prepayment. Within fifteen (15) days of receipt of such non-refundable deposit, the Assistant Superintendent of Business Services shall notify such owner of the partial prepayment amount of such Assessor's Parcel.

With respect to any Assessor's Parcel that is partially prepaid, the Assistant Superintendent of Business Services shall (i) distribute the funds remitted to it according to the Indenture, and (ii) indicate in the records of CFD No. 2018-1 that there has been a partial prepayment of the Maximum Special Tax and that a portion of the Maximum Special Tax equal to the outstanding percentage $(1.00 - F)$ of the remaining Maximum Special Tax shall continue to be authorized to be levied on such Assessor's Parcel pursuant to Section D.

J. TERM OF THE SPECIAL TAX

The Special Tax shall be levied annually on all Assessor's Parcels of Taxable Property for a maximum of thirty-five (35) years as Developed Property from the first levy of special taxes on an applicable assessor's parcel.

K. PURPOSE OF THE SPECIAL TAXES

The proposed facilities to be financed include elementary, middle, and high school buildings; special education facilities and transportation facilities, as well as central administration and support facilities as needed and applicable, together with land and all necessary equipment including technology improvements, equipment and personal property of the School District, together with an estimated useful life of five (5) years or longer to serve the properties and

students within the School District. The herein-provided Special Taxes are contractually encumbered and committed to the School District as contemplated by Section 9 of Article 1 of the California Constitution and the applicable provisions of the Federal Constitution.
