B. DETERMINATION AS TO TYPE OF PROPERTY

Prior to the levy of the Special Tax in each Fiscal Year, the Tax Administrator shall make the following determinations, classifications and assignments:

1. All Assessor’s Parcels within CFD No. 14-1 shall be determined to be either Taxable Property or exempt from the Special Tax pursuant to law or Section E below.

2. All Taxable Property shall be classified as Residential Developed Property, Final Map Property, Excess Association Property, Excess Public Property, Excess Non-Residential Property or Undeveloped Property.

3. In any Fiscal Year, if it is determined that: (i) a parcel map for property in CFD No. 14-1 was recorded after January 1 of the prior Fiscal Year (or any other date after which the Assessor shall not incorporate the newly-created parcels into the then current tax roll), (ii) because of the date the parcel map was recorded, the Assessor does not yet recognize the new Parcels created by the parcel map, and (iii) one or more of the newly-created parcels is in a different Land Use Class than other parcels created by the subdivision, the Tax Administrator shall calculate the Special Tax for the property affected by recordation of the parcel map by determining the Special Tax that applies separately to the property within each Land Use Class, then applying the sum of the individual Special Taxes to the Assessor’s Parcel that was subdivided by recordation of the parcel map.

C. MAXIMUM SPECIAL TAX RATES

1. The Maximum Special Tax shall be determined pursuant to this Section C, provided that the Maximum Special Tax for an Assessor’s Parcel shall be reduced to reflect a partial prepayment of the Special Tax applicable thereto as provided for in Section H. For Fiscal Year 2014-15, the Assigned Special Tax for an Assessor’s Parcel of Residential Developed Property and the Maximum Special Tax for any Assessor’s Parcel of Taxable Property shall be the amounts shown below. The Maximum Special

Tax applicable to an Assessor's Parcel of Residential Developed Property shall be the greater of the Assigned Special Tax and Backup Special Tax calculated for the Assessor's Parcel.

Assigned Special Tax for Residential Developed Property:	\$0.964 per square foot of Residential Floor Area
Backup Special Tax for Residential Developed Property:	\$30,000 per acre of Parcel Area
Excess Association Property:	\$30,000 per acre of Parcel Area
Excess Non-Residential Property:	\$30,000 per acre of Parcel Area
Excess Public Property:	\$30,000 per acre of Parcel Area
Final Map Property:	\$30,000 per acre of Parcel Area
Undeveloped Property:	\$30,000 per acre of Parcel Area

On July 1, 2015, and on each July 1 thereafter, the Maximum Special Taxes shown above, and as they may be reduced pursuant to Section C.2 below, shall be increased by an amount equal to two percent (2%) of the amount in effect for the prior Fiscal Year.

2. Within 45 days following the initial issuance of Bonds, the Tax Administrator shall determine if the actual annual debt service on such initial series of the Bonds is less than the estimated annual debt service used initially to set the Special Tax rates. If the actual annual debt service is less, the Special Tax in each Land Use Class in Section C.1 above shall be proportionately reduced to an amount sufficient to generate special tax revenues in each Fiscal Year equal to (i) the Priority Administrative Expenses amount plus (ii) 1.10 times actual annual debt service on the Bonds, as reasonably determined by the Tax Administrator. The Tax Administrator shall, upon adoption of a confirming resolution of the Board of Education, complete the table set forth in Exhibit A to this Rate and Method with the new Special Tax rates and record with the Orange County Recorder's office an Addendum to the Notice of Special Tax Lien for CFD No. 14-1, which Addendum shall (i) reference the book, page and recording date of the original Notice of Special Tax Lien for CFD No. 14-1 and any prior amendments to it, (ii) include the table set forth in Exhibit A and shall otherwise clearly set forth the reduced Special Tax rates.

D. METHOD OF APPORTIONMENT OF SPECIAL TAX

Beginning in Fiscal Year 2014-15, CFD No. 14-1, shall proportionately levy the Special Tax on each Assessor's Parcel of Taxable Property at a rate necessary to fund the Special Tax Requirement, but in no case at an amount that is greater than the Maximum Special Tax rate in the following order of priority:

First: the Special Tax shall be levied at the Assigned Special Tax rate applicable to each Assessor's Parcel of Residential Developed Property;

Second: to the extent additional money is needed in order to equal the Special Tax Requirement for such Fiscal Year, the Special Tax shall be levied Proportionately on all Final Map Property, provided that in no event shall the amount of the Special Tax so levied exceed the applicable Maximum Special Tax;

Third: to the extent additional money is needed in order to equal the Special Tax Requirement for such Fiscal Year, the Special Tax shall be levied Proportionately on all Undeveloped Property, provided that in no event shall the amount of the Special Tax so levied exceed the applicable Maximum Special Tax;

Fourth: to the extent additional money is needed in order to equal the Special Tax Requirement for such Fiscal Year, the Special Tax shall be levied Proportionately on all Excess Non-Residential Property, provided that in no event shall the amount of the Special Tax so levied exceed the applicable Maximum Special Tax;

Fifth: to the extent additional money is needed in order to equal the Special Tax Requirement for such Fiscal Year, the Special Tax shall be levied Proportionately on all Excess Association Property, provided that in no event shall the amount of the Special Tax so levied exceed the applicable Maximum Special Tax; and

Sixth: to the extent additional money is needed in order to equal the Special Tax Requirement for such Fiscal Year, the Special Tax shall be levied Proportionately on all Excess Public Property, provided that in no event shall the amount of the Special Tax so levied exceed the applicable Maximum Special Tax.

E. EXEMPTIONS

The Board of Education shall not levy a Special Tax on up to the first 230 acres of land within CFD No. 14-1 to become Public Property, up to the first 435 acres of land within CFD No. 14-1 to become Property Owners Association Property, or up to the first 17 acres of land within CFD No. 14-1 to become Non-Residential Property provided that if the total area within CFD No. 14-1 is increased after its formation but the principal amount of Bonds authorized to be issued is not increased, the foregoing amounts may be increased to such amount as the Board of Education determines appropriate so long as the aggregate amount of such increases do not exceed the aggregate Parcel Area of the Taxable Property so added to CFD No. 14-1, and provided further that the foregoing amount may be increased at the direction of the Board of Education if the Board of Education determines that the total Maximum Special Tax that may be levied in each Fiscal Year on all of the Assessor's Parcels within CFD No. 14-1 that shall remain Taxable Property shall be at least equal to the Special Tax Requirement for such Fiscal Year.

Residential units within an Age-Restricted Project shall be exempt from the levy of Special Taxes if and to the extent such units were expected to be exempt at the time Bonds were sold for CFD No. 07-1, as determined by the Tax Administrator. If such an exemption was not anticipated when such Bonds were issued, units within the Age-

Restricted Project shall be subject to the Maximum Special Taxes identified in Section C above.

F. APPEALS

Any landowner who feels that the amount of the Special Tax levied on such landowner's property is in error may file a notice with CFD No. 14-1 appealing the amount of the Special Tax; provided, however that the filing of a notice does not relieve such landowner of the obligation to pay in full the actual Special Tax levied. A representative of CFD No. 14-1 shall then review the appeal and, if necessary, meet with the applicant. If the findings of the CFD No. 14-1 representative verify that the amount of the Special Tax should be modified or changed, then, as appropriate, the Special Tax levy shall be corrected, or if the amount has been paid, then it shall be refunded from available Special Taxes levied and collected in the following Fiscal Year.

G. MANNER OF COLLECTION

CFD No. 14-1 may levy and collect the Special Tax Requirement as provided and at such times as specified in this Rate and Method. The Special Taxes shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes. However, to the extent that the property to be levied is exempt from the levy of ordinary *ad valorem* property taxes or other obligations of the District with respect to the outstanding Bonds requires that the levy and collection of special taxes be done in a manner or time that is different than the levy of ordinary *ad valorem* property taxes, the District may invoice such properties directly.

H. PREPAYMENT OF SPECIAL TAX

The owner of an Assessor's Parcel classified as Residential Developed Property and as to which no Special Tax is delinquent may prepay the Special Tax applicable to such Assessor's Parcel in whole or in part as described in this Section H.

Such owner shall provide the Tax Administrator with (i) written notice of intent to prepay and (ii) payment of the fee established by the Tax Administrator to process the prepayment request. Within a reasonable time frame thereafter (as determined by the Tax Administrator), the Tax Administrator shall notify such owner of the prepayment amount applicable to such Assessor's Parcel.

The following definitions (in addition to those set forth in the text herein) apply to this Section H:

“Outstanding Bonds” means all Previously Issued Bonds which remain outstanding pursuant to the terms of the documents under which they were issued, with the following exception: if a Special Tax has been levied against, or already paid by, an Assessor's Parcel making a prepayment, and a portion of such Special Tax has been or will be used to pay a portion of the next principal payment on the

Bonds, such portion of the next principal payment shall be subtracted from the total Bond principal that remains outstanding, and the difference shall be used as the amount of Outstanding Bonds for purposes of this prepayment formula.

“Previously Issued Bonds” means all Bonds that have been issued on behalf of CFD No. 14-1 prior to the date of prepayment.

The Prepayment Amount shall be calculated as follows: (capitalized terms as defined below):

Bond Redemption Amount
plus Redemption Premium
plus Defeasance Requirement
plus Administrative Fees and Expenses
less Reserve Fund Credit
equals Prepayment Amount

As of the proposed date of prepayment, the Prepayment Amount shall be determined by application of the following steps:

- Step 1.** Compute the total Maximum Special Tax for the Assessor’s Parcel as it would apply in the current Fiscal Year based upon this Rate and Method.
- Step 2.** Divide the Maximum Special Tax computed pursuant to Step 1 for such Assessor’s Parcel by the lesser of (i) the Maximum Special Tax revenues that could be collected in the current Fiscal Year from all Taxable Property in CFD No. 14-1, or (ii) the Maximum Special Tax revenues that could be generated in the current Fiscal Year assuming buildout of property in CFD No. 14-1 based on anticipated land uses at the time the prepayment is calculated.
- Step 3.** Multiply the quotient computed pursuant to Step 2 by the Outstanding Bonds to compute the amount of the Outstanding Bonds of CFD No. 14-1 to be redeemed or paid at maturity (the “Bond Redemption Amount”).
- Step 4.** Multiply the Bond Redemption Amount computed pursuant to Step 3 by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed in advance of their maturity (the “Redemption Premium”).
- Step 5.** Compute the amount needed to assure the payment of interest on the Bond Redemption Amount from the last date on which interest was payable on the Outstanding Bonds until the earliest redemption date for the Outstanding Bonds.

- Step 6:** Compute the minimum amount the Tax Administrator reasonably expects to be derived from the investment of the Bond Redemption Amount plus the Redemption Premium until the redemption date for the Outstanding Bonds that are expected to be redeemed with the prepayment.
- Step 7:** Take the amount computed pursuant to Step 5 and subtract the amount computed pursuant to Step 6 (the “Defeasance Requirement”).
- Step 8.** Calculate the administrative fees and expenses of CFD No. 14-1 in connection with the prepayment, including the costs of computation of the prepayment, the costs of redeeming the Outstanding Bonds, and the costs of recording any notices to evidence the prepayment and the redemption (the “Administrative Fees and Expenses”).
- Step 9.** If and to the extent so provided in the indenture pursuant to which the Outstanding Bonds to be redeemed were issued, calculate a reserve fund credit as a reduction in the applicable reserve fund for the Outstanding Bonds to be redeemed pursuant to the prepayment (the “Reserve Fund Credit”).
- Step 10.** The Special Tax prepayment is equal to the sum of the amounts computed pursuant to Steps 3, 4, 7, and 8, less the amount computed pursuant to Step 9 (the “Prepayment Amount”).

The owner of any Assessor’s Parcel classified as Residential Developed Property and as to which no Special Tax is delinquent may discharge the Special Tax applicable to such Assessor’s Parcel in whole or in part in the same manner described above for prepayments by paying the applicable percentage of the applicable Prepayment Amount (computed without the Administrative Fees and Expenses) plus the applicable Administrative Fees and Expenses. From and after the School District’s receipt, on behalf of CFD No. 14-1, of any such partial prepayment, the Maximum Special Tax applicable to such Assessor’s Parcel shall be the product of the Maximum Special Tax which would have otherwise been applicable thereto times the remainder of 100% minus the percentage of the Prepayment Amount (computed without regard to Administrative Fees and Expenses) that was actually prepaid.

I. INTERPRETATION AND APPLICATION

The interpretation and application of this Rate and Method are subject to the exercise of discretion by CFD No. 14-1 and the Board of Education may, from time to time, provide written interpretations as to the application of this Rate and Method.

J. TERM OF THE SPECIAL TAX

For each year that any Bonds are outstanding the Special Tax shall be levied on all Assessor's Parcels subject to the Special Tax. If any delinquent Special Taxes remain uncollected prior to or after all Bonds are retired, the Special Tax may be levied to the extent necessary to reimburse CFD No. 14-1 for uncollected Special Taxes associated with the levy of such Special Taxes.

The Special Tax may also be levied after all Bonds are retired but only to the extent that the Board of Education, acting as the Legislative Body of CFD No. 14-1, determines it to be necessary to modernize, rehabilitate, or accomplish technology improvements relating proportionately to Project Students from the Project and Amended Project, if any, public school facilities authorized to be funded through CFD No. 14-1 as set out in the proceedings for the formation for CFD No. 14-1 pursuant to the Act. However, in no case shall Special Taxes be levied any later than the 2055-2056 Fiscal Year.
