Section 3. Annual Maximum Special Taxes

A. Annual Maximum Special Tax - Developed Property

The Annual Maximum Special Tax - Developed Property for each Assessor Parcel classified as Developed Property shall be the amount determined by reference to Table 2 as applicable and the paragraphs that follow Table 2.

Table 2
Annual Maximum Special Tax - Developed Property
Fiscal Year 2000/01 per Land Use Classification

Land Use Classification	Annual Maximum Special Tax – Developed Property
1	\$1,150.00 per Dwelling Unit
2	\$1,200.00 per Dwelling Unit
3	\$1,250.00 per Dwelling Unit
4	\$1,352.00 per Dwelling Unit
5	\$1,370.00 per Dwelling Unit
6	\$1,475.00 per Dwelling Unit
7	\$1,550.00 per Dwelling Unit

In determining the Annual Maximum Special Tax applicable to an Assessor's Parcel of Developed Property in its Initial Fiscal Year, the Annual Maximum Special Tax – Developed Property for each Land Use Classification in Table 2 shall be increased (unless the provisions described in the next paragraph applies) for the 2001/02 Fiscal Year, and each Fiscal Year thereafter by the greater of: (i) the annual percentage change in the Index determined on March 1, 2000 for the prior twelve (12) month period, and on each March 1st thereafter for the prior twelve (12) month period, or (ii) zero (0).

In the event any Bonds have been issued for by March 1, 2001, or by March 1st of each year thereafter, the Annual Maximum Special Tax – Developed Property applicable to Land Use Classifications shall no longer be subject to increases in the Index in each Fiscal Year following the March 1st date that such Bonds have been issued.

The Annual Maximum Special Tax – Developed Property for an Assessor Parcel after the Initial Fiscal Year, and each Fiscal Year thereafter, shall be fixed and no longer subject to any increases in the Index.

B. Annual Maximum Special Tax - Undeveloped Property

The Annual Maximum Special Tax - Undeveloped Property for each Assessor Parcel classified as Undeveloped Property shall be \$7,100.00 per Acre for Fiscal Year 2000/01, and shall be increased (unless the provisions described in the next paragraph applies) for the 2001/02 Fiscal Year, and each Fiscal Year thereafter, by the greater of: (i) the annual percentage change in the Index determined on March 1, 2000, for the prior twelve (12) month period, and on each March 1st thereafter for the prior twelve (12) month period, or (ii) zero (0).

In the event any Bonds have been issued by March 1, 2001, or by March 1st of each year thereafter, the Annual Maximum Special Tax – Undeveloped Property shall no longer be subject to increases in the Index in each Fiscal Year following the March 1st date when Bonds have been issued.

Section 4. One-Time Special Taxes

The purpose of the One-Time Special Tax – Undeveloped Property and the One-Time Special Tax – Developed Property is to guard against 1) the actual reduction in the total number of projected Dwelling Units after the issuance of Bonds and 2) a variation as to the assumed number of Dwelling Units within certain Land Use Classifications. The One-Time Special Tax - Undeveloped Property shall apply and be payable if a final subdivision or parcel map is recorded after the issuance of Bonds which allows for the development of a revision to the number of Dwelling Units less than the number of Dwelling Units in the applicable Tentative Tract Map as shown in Table 3 below. The One-Time Special Tax - Developed Property shall be payable pursuant to Section 4(b).

A. One-Time Special Tax - Undeveloped Property

All of the future development within of the CFD has been divided into two areas based on the Tentative Tract Map. These areas are as shown on the Special Tax Areas Map attached hereto as Exhibit 1. Each area has been assigned a discrete number of Dwelling Units as shown in Table 3. At the recordation of each final subdivision or parcel map that occurs after the issuance of Bonds the area encompassed by the final map is compared to the Special Tax Areas Map and the information in Table 3. If the number of Dwelling Units for the area indicated on the final map after the issuance of Bonds is less than that shown in Table 3, a One-Time Special Tax - Undeveloped Property is due for each Dwelling Unit lost. The payment of the One-Time Special Tax – Undeveloped Property per Dwelling Unit lost is due at the time of the recording of the final map. Should the final map record without the obligation being paid, the outstanding obligation is not forgiven and must be paid prior to the issuance of the first, or any additional, certificates of compliance being issued.

**Table 3
Assigned Dwelling Units per Tentative Tract Map**

Tentative Tract Map Phasing	Special Tax Areas Map	Number of Assigned Dwelling Units	Prepayment Land Use Class
29442-1	Area 1	185	7
29442	Area 2	120	7
Total		305	

The amount of the One-Time Special Tax - Undeveloped Property which is due per Dwelling Unit lost after the issuance of Bonds is calculated by inserting the then current Annual Maximum Special Tax – Developed Property for the Prepayment Land Use

Class per Tentative Tract Map phase as shown above in Table 3 into the prepayment formula set forth in Section 7. When the amount of Dwelling Units shown on the final map is equal to or greater than the number shown in Table 3 above, no One-Time Special Tax - Undeveloped Property is due per Dwelling Unit. The CFD administrator shall adjust the number of Dwelling Units in Land Use Classification A-7 in Table 4 due to any adjustment in the total number of Dwelling Units from that shown in Table 3.

If the boundaries of any final map are not the same as the expected boundaries as shown on the Special Tax Areas Map, the projected Dwelling Units will be reapportioned to the actual land area of the final map in such a way that there is no loss of dwelling units. If a loss of dwelling units does occur, the One-Time Special Tax - Undeveloped Property is due as provided above.

One-Time Special Tax – Undeveloped Property funds received by the CFD less redemption premium and prepayment calculation fees shall be used upon build out to redeem the Bonds pursuant to the applicable Bond Documents.

B. One-Time Special Tax - Developed Property

All of the future development within the CFD has been assigned a discrete number of Dwelling Units by Land Use Classification as shown in Table 4 below (as potentially adjusted pursuant to Section 4.A above) and a Required Average Annual Maximum Special Tax per Dwelling Unit.

At the issuance of each certificate of compliance for a building permit, or group of building permits, each permit will be assigned into its appropriate Land Use Classification. These Land Use Classifications will be tallied so that the total number of Dwelling Units per Land Use Classification is accumulated. At the moment that the number of permits would, with the issuance of the certificates of compliance requested, is equal to or exceeds the number of Dwelling Units assigned to a Land Use Classification set forth in Table 4 the Actual Average Annual Maximum Special Tax per Dwelling Unit shall be calculated. Should the Actual Average Annual Maximum Special Tax per Dwelling Unit, with the issuance of the proposed permits, be less than the Required Average Annual Maximum Special Tax per Dwelling Unit, the One-Time Special Tax – Developed Property is due.

The amount of the One-Time Special Tax - Developed Property which is due prior to the issuance of the requested certificates of compliance is the difference between the Required Average Annual Maximum Special Tax per Dwelling Unit and the Actual Average Annual Maximum Special Tax per Dwelling Unit. This amount is escalated per the Index pursuant to Section 3.A for all applicable years and multiplied times the total number of building permits which have been issued and are proposed to be issued with such result being inserted for the term “Annual Maximum Special Tax – Developed Property” in Section 7 of the prepayment formula. Any additional calculations of the One-Time Special Tax – Developed Property after its initial calculation shall be reduced by the balance in the one-time special tax fund, if any.

Table 4
Assigned Dwelling Units per Land Use Classification

Land Use Classification	Number of Dwelling Units
1	22
2	24
3	29
4	42
5	83
6	49
7	56
Total	305

All One-Time Special Tax – Developed Property funds received by the CFD less prepayment calculation fees shall be deposited into the one-time special tax fund. All interest earnings in the one-time special tax fund shall be retained in such fund.

When the final certificates of compliance are requested for all property in the CFD, the final calculation of the Actual Average Annual Maximum Special Tax per Dwelling Unit is performed. The Board, on the advice of the CFD administrator, shall then determine the disposition of the funds in the one-time special tax fund, if any, in accordance with the following procedure:

If the Actual Average Annual Maximum Special Tax per Dwelling Unit is equal to or greater than the Required Average Annual Maximum Special Tax per Dwelling Unit, the balance, if any, in the one-time special tax fund shall be refunded to the payer(s) in the proportion to prior payments made upon written request of the payer(s) to the School District. In no event shall the request for payment be made in excess of twelve months past the date the last certificate of compliance is issued.

If the Actual Average Annual Maximum Special Tax per Dwelling Unit is less than the Required Average Annual Maximum Special Tax per Dwelling Unit, the amount of such difference is escalated per the Index pursuant to Section 3.A for all applicable years and multiplied by the total number of Dwelling Units with the result being inserted for the term “Annual Maximum Special Tax – Developed Property” in Section 7 of the prepayment formula. If the amount determined in the preceding sentence, is less than the balance, if any, in the one-time special tax fund, the amount of such difference shall be refunded to the payer(s) in proportion to prior payments made upon written request of the payer(s) to the School District. In no event shall the request for payment be made in excess of twelve months past the date the last certificate of compliance is issued.

Section 5. Levy of the Special Tax

Commencing in Fiscal Year 2001-02, the Board shall levy the Annual Maximum Special Tax - Developed Property on each Assessor's Parcel which is classified as Developed Property. If additional monies are needed to satisfy the Special Tax Requirement, after taking into account monies to be levied on Developed Property pursuant to the preceding sentence, the Board shall then levy such difference proportionately on each Assessor's Parcel which is classified as Undeveloped Property up to 100% of the Annual Maximum Special Tax – Undeveloped Property for such Undeveloped Property.

Section 6. Partial Prepayment of the Annual Maximum Special Tax - Developed Property

A property owner may make a one-time election to prepay a portion of the Annual Maximum Special Tax - Developed Property on an Assessor Parcel for which a Building Permit is requested by notifying the School District in writing of such intention no less than seven (7) business days prior to such Assessor Parcel obtaining a certificate of compliance. The written notification shall include such owner's intent to partially prepay the Annual Maximum Special Tax - Developed Property, the date the Assessor Parcel is expected to request a certificate of compliance, a copy of the final map, the acres of each lot, the lot number(s) and Assessor Parcel Number(s) for which partial prepay is requested, the Building Square Footage of the Dwelling Unit(s) and the percentage by which the Annual Maximum Special Tax - Developed Property shall be prepaid. If partial prepayment is requested on a limited number of Assessor Parcels of a group which will be requesting certificates of compliance, the above required information must be supplied on all Assessor Parcels which will be requesting certificates of compliance. The partial prepayment formula per dwelling unit is defined as follows:

$$\text{Partial Prepayment Formula per Dwelling Unit: } PP = (PVT \times PCT) + F + RP$$

The variables can be described as: PP - the partial prepayment amount per Dwelling Unit. PVT - the present value of the current Annual Maximum Special Tax – Developed Property using a 7.5% interest, prior to the issuance of Bonds, and a term of 35 years. After the issuance of Bonds the interest rate used to calculate the present value will be based on the lesser of 7.5% or the Weighted Average Interest Rate on the Bonds. PCT - the partial prepayment percent. F – all prepayment fees, and RP - redemption premium on the Bonds, if applicable. The partial prepayment percent shall be indicated in the notification described above. The meaning of the remainder of the terms are as defined in Section 7.

An example of the partial prepayment of a Land Use Classification 2 Dwelling Unit during Fiscal Year 2000/01 is as follows. This is only an example.

Formula	PP = (PVT	x PCT)	+ F	+ RP
Example	PP = ((\$1,200 x 12.2725)	x 50%)	+ \$500.00	+ (0.03 x (PVT x PCT))
	PP = (\$14,727.01	x .5)	+ \$500.00	+ (0.03 x (PVT x PCT))
	PP = \$7,363.51		+ \$500.00	+ (0.03 x \$7,363.51)
	PP = \$7,363.51		+ \$500.00	+ \$220.91
	PP = \$8,084.41			

The CFD administrator shall provide the owner with a statement of the amount required per Dwelling Unit for the partial prepayment of the Annual Maximum Special Tax - Developed Property within ten (10) business days of the request and may charge a reasonable fee for providing this service. The payment of the partial prepayment of the Annual Maximum Special Tax - Developed Property is due prior to the issuance of the certificate of compliance for the Assessor Parcel.

Notwithstanding the foregoing, no partial prepayment shall be allowed in the month of June or at all unless the amount of the Annual Maximum Special Tax - Developed Property that may be levied on all Taxable Property within the CFD both prior to and after the proposed partial prepayment is at least 1.1 times the annual debt service on the outstanding Bonds.

Section 7. Prepayment of the Annual Maximum Special Tax - Developed Property

An Assessor Parcel classified as Developed Property which is subject to the Annual Maximum Special Tax - Developed Property may prepay the *entire outstanding* Special Tax obligation at any time. The prepayment formula per Dwelling Unit is defined as follows:

$$\text{Prepayment Formula: } P = PVT + F + RP$$

The variables are described as: P - the prepayment amount, PVT - the present value of taxes, F – all prepayment fees, and RP - redemption premium on the Bonds if applicable. The PVT or present value of taxes means the present value of the Annual Maximum Special Tax - Developed Property applicable to the Assessor Parcel in each remaining Fiscal Year that such taxes may be levied subsequent to the Fiscal Year in which the calculation is made. The present value of the Annual Maximum Special Tax - Developed Property is calculated by using an interest rate of 7.5% prior to the issuance of Bonds. After the issuance of Bonds the interest rate used to calculate the present value will be based on the lesser of 7.5% or the Weighted Average Interest Rate on the Bonds. The remaining Fiscal Years, or the term for the present value calculation, is calculated by subtracting the number of years, including the present Fiscal Year, the Assessor Parcel has been subject to the Annual Maximum Special Tax - Developed

Property from thirty-five (35). The current year's Special Taxes must be paid directly to the County and will not be accepted by the School District with the prepayment.

Prepayment fees or F means the fees of the School District, the fiscal agent and any consultants retained by the School District in connection with the prepayment calculations and redemption of the Bonds.

Redemption premium on the Bonds or RP means a prepayment premium as set forth in the Bond indenture for a mandatory redemption of the Bonds as of the prepayment date.

Bonds shall be redeemed in a manner such that the yield on the Bonds outstanding after the prepayment is as close as possible to the original yield on all of the Bonds.

In addition, any property owner prepaying his or her Annual Maximum Special Tax - Developed Property must also pay the present Fiscal Year levy and all delinquent special taxes, interest and penalties owing on the Assessor Parcel to the County of Riverside on which prepayment is being made, if any.

Section 8. Limitations

The Board shall not levy any Special Taxes on properties conveyed or irrevocably dedicated to a public agency, land which is in the public right-of-way, unmanned utility easements which make utilization for other than the purpose set forth in the easement impractical, common areas, private streets, school, parks, and open space lots provided that such properties classified as Exempt Property do not exceed 56.5 Acres. Except as set forth above, the Board shall not levy any Special Taxes on properties which are owned by the State of California, Federal or other local governments, except as otherwise provided in Sections 53317.3 and 53317.5 of the Act.

Section 9. Manner of Collection

The Annual Maximum Special Taxes will be collected in the same manner and at the same time as ordinary ad valorem real property taxes. The Annual Maximum Special Taxes shall be subject to the same penalties, procedures, sale and lien priority in any case of delinquency as provided for with ad valorem taxes. The collection of the Annual Maximum Special Taxes shall otherwise be subject to the provisions of the Act. The Board reserves the power to provide for alternative means of collection of special taxes as permitted by the Act.

Section 10. Term of the Special Taxes

The Annual Maximum Special Tax – Developed Property shall be levied for a period not to exceed either (i) thirty-five (35) years from the beginning of the Initial Fiscal Year a property is taxed as Developed Property or (ii) until all Bonds have been retired and all School Facility requirements met as determined by the Board in its sole discretion, whichever is earlier.

Section 11. Review/Appeals Panel

The Board shall establish, as part of the proceedings and administration of CFD No. 2000-1, a Review/Appeals Panel. Any landowner who feels that the amount of the Special Tax, as to their Assessor's Parcel, is in error may file a notice with the Review/Appeals Panel appealing the amount of the levy. The Review/Appeals Panel shall interpret this Rate and Method of Apportionment of the Special Taxes and make determinations relative to the annual administration of the Special Taxes and any landowner appeals, as herein specified.
