APPENDIX E: With respect to each District – Foreclosure Status

Status of foreclosure proceedings of parcels, if any, within the District, Zone 1 or the Improvement Area, as applicable, and summary of results of foreclosure sales, if any.

Not later than August 1 of each Fiscal Year, the District will compare the amount of Special Taxes theretofore levied in the District in the prior Fiscal Year to the amount of Special Taxes theretofore reported by the County as paid and received and:

If the District determines that any single parcel within the District is delinquent in the payment of all or a portion of three semi-annual installments of Special Taxes, then the District shall send or cause to be sent a notice of delinquency (and a demand for immediate payment thereof) to the property owner within 45 days of such determination, and (if the delinquency remains uncured) foreclosure proceedings shall be commenced by the District as to each parcel that received the delinquency notification within 120 days of such determination, to the extent permissible under applicable law.

If the District determines that (i) the total amount of delinquent Special Taxes for the prior Fiscal Year for the District (including the total of delinquencies described above) exceeds 5% of the total Special Taxes due and payable for the prior Fiscal Year, and (ii) the applicable Community Facilities District Reserve Account is less than the Reserve Requirement, (including in the event amounts are owned under the reserve Policy), the District shall notify or cause to be notified property owners who are then delinquent in the payment of Special Taxes (and demand immediate payment of the delinquency) within 45 days of such determination, and shall commence foreclosure proceedings within 120 days of such determination against each parcel of land within the District that received the delinquency notification with a Special Tax delinquency, to the extent permissible under applicable law.

Notwithstanding the foregoing, in certain instances the amount of a Special Tax delinquency on a particular parcel in relation to the cost of appropriate foreclosure proceedings may be such that the costs do not warrant the foreclosure proceedings costs. In such cases, foreclosure proceedings may be delayed by the District until there are sufficient Special Tax delinquencies accruing to such parcel (including interest and penalties thereon) to warrant the foreclosure proceedings cost.
