## **Section 1. PURPOSE AND OVERVIEW**

---

The purpose of this Report is to provide the Board with an overview of Community Facilities District No. 2000-1 (“CFD No. 2000-1”) of the Temecula Valley Unified School District (the “School District” or “District”). This analysis was performed by Special District Financing & Administration, LLC (“SDFA”) as the Special Tax Consultant and CFD Administrator to the District in conjunction with District staff.

### **A. SUMMARY OF AUTHORIZING LEGISLATION**

The Mello-Roos Community Facilities Act (“Act”) of 1982 came about as a response to the lack of adequate financing for public capital facilities and services in the post-Proposition 13 Era. State Senators Mello and Roos sponsored this Bill, which was enacted into law by the California Legislature and is now Sections 53311 through 53368.3 of the *California Government Code*. The Act, as amended, authorizes a local governmental agency, such as a school district or city, to form a Community Facilities District (“CFD”) within a defined set of boundaries for the purposes of providing public facilities and/or services. A CFD is formed for financing purposes only and is governed by the agency that formed it. Funding is provided through the levy of voter-approved special taxes. The Act also provides that multiple agencies can join together through a Joint Community Facilities Agreement (“JCFA”) to form one CFD.

### **B. HISTORICAL USE OF COMMUNITY FACILITY DISTRICTS AT TEMECULA VALLEY UNIFIED SCHOOL DISTRICT**

Since 1990, the District has utilized the Act to form Mello-Roos Community Facilities Districts to provide for the funding of school facilities both directly and through the use of debt financing. The District has entered into JCFA’s with other municipalities to allow for the formation of one CFD to fund various public facilities, such as water and sewer facilities, to be owned and operated by the controlling municipal agency.

## Section 2. SUMMARY OF FORMATION PROCEEDINGS

Community Facilities District No. 2000-1 was formed in October 2000 to finance authorized school facilities.

### A. FORMATION PROCEEDING ACTIONS

The following table provides a summary of actions taken by the Board of the School District to form Community Facilities District No. 2000-1:

TABLE I FORMATION SUMMARY DATA	
Proceedings Item	Date / Resolution No.
Resolution of Intention to Establish	8/15/2000 / Reso No. 2000-01/08
Resolution of Formation	9/19/2000 / Reso No. 2000-01/17
Date of Special Election	10/16/2000
County Fund Number	68-6531-FC

### B. CFD LOCATION / BOUNDARIES

CFD No. 2000-1 is located south of Benton Road, east of Pourroy Road. Appendix A contains the adopted and recorded boundary map for Community Facilities District No. 2000-1.

### C. AUTHORIZED FACILITIES

At the time of formation, a Special Tax Report is prepared which identifies the permitted use of the special tax funds collected and the proceeds from the issuance of debt. Additional formation documents, as well as documents adopted at the time of the issuance of any debt, may add additional specifics. The repayment of any issued debt is made from the special taxes levied within CFD No. 2000-1.

The Special Tax Report for Community Facilities District No. 2000-1 states that the special taxes collected will fund public school facilities necessary to meet increased demands placed upon the School District as a result of the development within CFD No. 2000-1. These facilities may include but are not limited to the following: new elementary, middle, and high school facilities or addition/rehabilitation/modification which increases capacity to existing facilities may be funded by CFD No. 2000-1 to house grades K through 12. Costs include site purchase and preparation, design, utility connection, general site development, facility construction, incidentals, and financing.

## Section 3. DEBT-ISSUANCE INFORMATION

After a CFD is formed and an acceptable amount of development occurs, the CFD may issue debt with the approval of the Board acting as the legislative body of the CFD. Many different types of debt may be issued, such as Special Tax Bonds or Certificates of Participation. The repayment of the debt is the obligation of the CFD and is not an obligation of the School District.

In December 2002, Special Tax Bonds were issued. In February 2015, the School District, acting as the legislative body of CFD No. 2000-1, issued, through the Temecula Valley Unified School District Financing Authority ("the Authority"), Special Tax Revenue Bonds of which a portion was allocated to CFD No. 2000-1. This action refunded the original bonds to capture recognized interest rate savings. The following table shows the original 2002 Special Tax Bond issuance information and the 2015 Special Tax Revenue Bond issuance information for CFD No. 2000-1.

TABLE II DEBT-ISSUANCE INFORMATION		
Proceedings Item	2002 Special Tax Bonds	2015 Special Tax Revenue Bonds

Final Maturity Date	Refunded	09/01/2038
Bond Issue Amount	\$4,690,000.00	\$5,000,000.00
School Facilities Proceeds	\$4,138,395.16	\$2,482,905.37

Appendix C provides information on the use of the funds deposited into the school facilities account from the sale of bonds. The 2015 Special Tax Revenue Bonds debt service was amended through the issuance of the 2024 Special Tax Revenue Bonds of the Temecula Valley Unified School District Financing Authority. As of July 1, 2025, \$3,265,000 of principal remains outstanding.

## **Section 4. DEVELOPMENT AND FISCAL STATUS**

### **A. CURRENT DEVELOPMENT STATUS**

CFD No. 2000-1 is not fully developed (although the development of the final lot is questionable). As of March 1, 2005, 304 building permits have been issued and therefore classified as Developed Property. In May 2010, one lot fully prepaid and satisfied its Special Tax obligation. The total projected number of dwelling units at build out for CFD No. 2000-1 was originally projected as 305 dwelling units.

### **B. FISCAL OVERVIEW**

The special tax rates proposed to be levied in the coming fiscal year are presented to the Board annually and are set at an amount adequate to meet annual debt service requirements, cover administrative costs and fund school facilities directly from special taxes as authorized in the Rate and Method of Apportionment of Special Tax adopted at formation.

Appendix B provides a report of the funds collected and expended for Fiscal Year 2024/25. Appendix C contains the status of school facilities construction and funding which was authorized at the time of formation. This information is presented in compliance with SB165, the "Bond Accountability Act" which was codified in Government Code Sections 50075.1, 50075.3 and 50075.5. Appendix B also contains additional information which complies with Government Code Section 53343.1. The requirement to comply with Government Code Section 53343.1 is only applicable if requested by a person who resides in or owns property in CFD No. 2000-1. To date, this information has not been requested, but is being provided here for transparency purposes.

## **Section 5. ADMINISTRATIVE OBLIGATIONS**

This section of the Report overviews administrative obligations under which the School District has an obligation to comply.

### **A. CALIFORNIA DEBT AND INVESTMENT ADVISORY COMMISSION (“CDIAC”) REPORTING OBLIGATIONS**

California Government Code requires that a report entitled, Yearly Fiscal Status Report, be filed with the California Debt and Investment Advisory Commission (“CDIAC”) each October for debt issued after January 1, 1993, as well as posted on the School District website on or before January 31<sup>st</sup>. In addition, CDIAC also requires an Annual Debt Transparency Report to be filed each January for debt issued after January 1, 2017. The outstanding Temecula Valley Unified School District Financing Authority 2015 Special Tax Revenue Bonds issued in February 2015 of which Community Facilities District No. 2000-1 is a part are subject only to the filing of the Yearly Fiscal Status Report. The School District is in compliance with this requirement and such report is available on the School District’s website at <https://www.tvusd.k12.ca.us/domain/10996>.

### **B. SECONDARY MARKET REPORTING REQUIREMENTS (RULE 15C2-12)**

Secondary Market Reporting Requirements are applicable to certain debt issues dated after July 3, 1995. The Temecula Valley Unified School District Financing Authority 2015 Special Tax Revenue Bonds issued in February 2015 of which Community Facilities District No. 2000-1 is a part are subject to this requirement. The School District is in compliance with this requirement and has timely posted the required data onto the Municipal Securities Rulemaking Board website, “EMMA” (Electronic Municipal Market Access) as required.

### **C. NOTICE OF SPECIAL TAX TO HOMEOWNERS**

In accordance with Section 53340.2 of the Government Code, an agency will designate an office, department, or bureau to establish procedures to promptly respond to inquiries concerning current and future estimated tax liability. For purposes of enabling sellers of real property subject to the levy of special taxes to satisfy the notice requirements, the designated party will furnish a Notice of Special Tax to any individual requesting the notice within five (5) business days of receiving a request for such notice. The local agency may charge a reasonable fee for this service not to exceed ten dollars (\$10.00). SDFA is the direct contact to comply with all requests for this notice as well as general questions regarding CFD No. 2000-1.
