Section 1. PURPOSE AND OVERVIEW

The purpose of this Report is to provide the Board with an overview of Community Facilities District No. 2005-1 (“CFD No. 2005-1”) of the Temecula Valley Unified School District (the “School District” or “District”). This analysis was performed by Special District Financing & Administration, LLC (“SDFA”) as the Special Tax Consultant and CFD Administrator to the District in conjunction with District staff.

A. SUMMARY OF AUTHORIZING LEGISLATION

The Mello-Roos Community Facilities Act (“Act”) of 1982 came about as a response to the lack of adequate financing for public capital facilities and services in the post-Proposition 13 Era. State Senators Mello and Roos sponsored this Bill, which was enacted into law by the California Legislature and is now Sections 53311 through 53368.3 of the *California Government Code*. The Act, as amended, authorizes a local governmental agency, such as a school district or city, to form a Community Facilities District (“CFD”) within a defined set of boundaries for the purposes of providing public facilities and/or services. A CFD is formed for financing purposes only and is governed by the agency that formed it. Funding is provided through the levy of voter-approved special taxes. The Act also provides that multiple agencies can join together through a Joint Community Facilities Agreement (“JCFA”) to form one CFD.

B. HISTORICAL USE OF COMMUNITY FACILITY DISTRICTS AT TEMECULA VALLEY UNIFIED SCHOOL DISTRICT

Since 1990, the District has utilized the Act to form Mello-Roos Community Facilities Districts to provide for the funding of school facilities both directly and through the use of debt financing. The District has entered into JCFA’s with other municipalities to allow for the formation of one CFD to fund various public facilities, such as water and sewer facilities, to be owned and operated by the controlling municipal agency.

Section 2. SUMMARY OF FORMATION PROCEEDINGS

Community Facilities District No. 2005-1 was formed in June 2005 to finance authorized school facilities.

A. FORMATION PROCEEDING ACTIONS

The following table provides a summary of actions taken by the Board of the School District to form Community Facilities District No. 2005-1:

| TABLE I FORMATION SUMMARY DATA | |
|---|---------------------------------|
| Proceedings Item | Date / Resolution No. |
| Resolution of Intention to Establish | 4-19-2005 / Reso No. 2004-05/35 |
| Resolution of Formation | 6-7-2005 / Reso No. 2004-05/52 |
| Date of Special Election | 06/07/05 |
| County Fund Number | 68-6541-FC |

B. CFD LOCATION / BOUNDARIES

CFD No. 2005-1 consists of three separate tracts, one in the City of Temecula and two in the unincorporated area known as French Valley near the cities of Murrieta and Temecula in the County of Riverside. Appendix A contains the originally adopted and recorded boundary map of Community Facilities District No. 2005-1.

C. AUTHORIZED FACILITIES

At the time of formation, a Special Tax Report is prepared which identifies the permitted use of the special tax funds collected and the proceeds from the issuance of debt. Additional formation documents, as well as documents adopted at the time of the issuance of any debt, may add additional specifics. The repayment of any issued debt is made from the special taxes levied within CFD No. 2005-1.

The special tax revenue collected within CFD No. 2005-1 will fund school facilities necessary to meet increased demands placed upon the School District as a result of development within CFD No. 2005-1. The Special Tax Report for Community Facilities District No. 2005-1 states that these school facilities may include, but are not limited to, the following:

New elementary, middle, and high school facilities, central administration, and support facilities as well as interim facilities, as necessary, including modernization thereof, if necessary, together with land and all necessary equipment with an estimated useful life of five (5) years or longer to serve the properties within CFD No. 2005-1 to house grades K through 12. Costs include

site purchase and preparation, design, utility connection, general site development, facility construction, incidentals, and financing.

Section 3. DEBT-ISSUANCE INFORMATION

After a CFD is formed and an acceptable amount of development occurs, the CFD may issue debt with the approval of the Board acting as the legislative body of the CFD. Many different types of debt may be issued, such as Special Tax Bonds or Certificates of Participation. The repayment of the debt is the obligation of the CFD and is not an obligation of the School District.

In October 2006, Special Tax Bonds were issued. In February 2015, the School District, acting as the legislative body of CFD No. 2005-1, issued, through the Temecula Valley Unified School District Financing Authority ("the Authority"), Special Tax Revenue Bonds of which a portion was allocated to CFD No. 2005-1. This action refunded the original bonds to capture recognized interest rate savings. The following table shows the original 2006 Special Tax Bond issuance information and the 2015 Special Tax Revenue Bond issuance information for CFD No. 2005-1.

| TABLE II DEBT-ISSUANCE INFORMATION | | |
|---------------------------------------|------------------------|----------------------------------|
| Proceedings Item | 2006 Special Tax Bonds | 2015 Special Tax Refunding Bonds |
| Dated Date of Bonds | 10/12/2006 | 02/26/2015 |
| Final Maturity Date | Refunded | 09/01/2039 |
| Bond Issue Amount | \$9,945,000 | \$9,025,000 |
| School Facilities Proceeds | \$8,971,364 | \$2,335,546 |
| Interest Rate Range | 3.60% to 5.00% | 2.00% to 5.00% |
| Calculated Yield | 4.81% | 2.85% |
| Payment Dates | March 1 & September 1 | March 1 & September 1 |
| Subject to Arbitrage Calculation | Defeased | Yes |

Appendix C provides information on the use of the funds deposited into the school facilities account from the sale of bonds. The 2015 Special Tax Revenue Bonds debt service was amended through the issuance of the 2024 Special Tax Revenue Bonds of the Temecula Valley Unified School District Financing Authority. As of July 1, 2025, \$5,990,000 of principal remains outstanding.

Section 4. DEVELOPMENT AND FISCAL STATUS

A. CURRENT DEVELOPMENT STATUS

CFD No. 2005-1 is considered fully developed as to residential property. As of March 1, 2009, 432 building permits have been issued and therefore classified as Developed Property. To date, no lots have had the special tax obligation fully or partially prepaid and permanently satisfied.

B. FISCAL OVERVIEW

The special tax rates proposed to be levied in the coming fiscal year are presented to the Board annually and are set at an amount adequate to meet annual debt service requirements, cover administrative costs and fund school facilities directly from special taxes as authorized in the Rate and Method of Apportionment of Special Tax adopted at formation.

Appendix B provides a report of the funds collected and expended for Fiscal Year 2024/25. Appendix C contains the status of school facilities construction and funding which was authorized at the time of formation. This information is presented in compliance with SB165, the "Bond Accountability Act" which was codified in Government Code Sections 50075.1, 50075.3 and 50075.5. Appendix B also contains additional information which complies with Government Code Section 53343.1. The requirement to comply with Government Code Section 53343.1 is only applicable if requested by a person who resides in or owns property in CFD No. 2005-1. To date, this information has not been requested, but is being provided here for transparency purposes.

Section 5. ADMINISTRATIVE OBLIGATIONS

This section of the Report overviews administrative obligations under which the School District has an obligation to comply.

A. CALIFORNIA DEBT AND INVESTMENT ADVISORY COMMISSION (“CDIAC”) REPORTING OBLIGATIONS

California Government Code requires that a report entitled, Yearly Fiscal Status Report, be filed with the California Debt and Investment Advisory Commission (“CDIAC”) each October for debt issued after January 1, 1993, as well as posted on the School District website on or before January 31st. In addition, CDIAC also requires an Annual Debt Transparency Report to be filed each January for debt issued after January 1, 2017. The outstanding Temecula Valley Unified School District Financing Authority 2015 Special Tax Revenue Bonds issued in February 2015 of which Community Facilities District No. 2005-1 is a part are subject only to the filing of the Yearly Fiscal Status Report. The School District is in compliance with this requirement and such report is available on the School District’s website at <https://www.tvusd.k12.ca.us/domain/10996>.

B. SECONDARY MARKET REPORTING REQUIREMENTS (RULE 15C2-12)

Secondary Market Reporting Requirements are applicable to certain debt issues dated after July 3, 1995. The Temecula Valley Unified School District Financing Authority 2015 Special Tax Revenue Bonds issued in February 2015 of which Community Facilities District No. 2005-1 is a part, are subject to this requirement. The School District is in compliance with this requirement and has timely posted the required data onto the Municipal Securities Rulemaking Board website, “EMMA” (Electronic Municipal Market Access) as required.

C. NOTICE OF SPECIAL TAX TO HOMEOWNERS

In accordance with Section 53340.2 of the Government Code, an agency will designate an office, department, or bureau to establish procedures to promptly respond to inquiries concerning current and future estimated tax liability. For purposes of enabling sellers of real property subject to the levy of special taxes to satisfy the notice requirements, the designated party will furnish a Notice of Special Tax to any individual requesting the notice within five (5) business days of receiving a request for such notice. The local agency may charge a reasonable fee for this service not to exceed ten dollars (\$10.00). SDFA is the direct contact to comply with all requests for this notice as well as general questions regarding CFD No. 2005-1.

Projected Projects Authorized and Funded through Fund Balances:

The above identified fund balances will be used to directly or indirectly benefit property within the CFD. Identified balances have not yet been dedicated but have been found to be needed to mitigate the impact of the development on school facilities. See the 2021 School Facilities Master Plan as to possible projects to be funded when adequate funding is available.

Footnote:

- (1) Represents the Special Taxes collected less expenditures within the fiscal year, both as described in Appendix B, including interest earnings and accrued interest paid. This total does not match the net change in total fund balance shown in Appendix B due to ending balances held in individual funds.
