Section 1. SPECIAL DISTRICT OVERVIEW

This Special Tax Levy Report presents the findings of the analysis by Special District Financing & Administration, LLC ("SDFA") to determine the fiscal year 2026/27 Special Tax levy requirements for Community Facilities District No. 89-1 ("CFD" or "CFD No. 89-1") of the Temecula Valley Unified School District (the "School District").

Community Facilities District No. 89-1, also known as Redhawk, was established in July 1990, for the purpose of financing the construction, acquisition, modification, expansion or rehabilitation of certain real and other tangible property including school sites, school facilities, childcare facilities for grades kindergarten through sixth and reclaimed water facilities. In September 2002, a portion of CFD No. 89-1 was overlapped with a new CFD, Community Facilities District No. 2002-2 ("CFD No. 02-2"). As a result, the boundaries of CFD No. 89-1 were modified. (See Section 7, Special District Formation and Proceedings Summary.) Annually, the Special Tax levy is set at an amount established in the Rate and Method of Apportionment of Special Tax ("RMA"). In August of 2012, $11,045,000 of Special Tax Refunding Bonds were issued. The bonds matured on September 1, 2021. The fiscal year 2026/27 Special Tax levy for CFD No. 89-1 is summarized below.

Section 2. CONTENTS OF THE REPORT

This report provides an analysis of the financial and administrative obligations of Community Facilities District No. 89-1 of the Temecula Valley Unified School District. In calculating the Special Tax liability for fiscal year 2026/27, this report examines the current and prior fiscal year's financial obligations, the School District's reporting obligations, and development activity as it relates to the taxation of property within the Community Facilities District ("CFD").

This report is organized into the following sections:

Section Three: Special District Development Activity and Special Tax Classification of Property

This section provides development activity as it relates to the taxation of property within the CFD and classifies each parcel within the boundaries of the CFD into one of the required classifications for the purpose of allocating the aggregate Special Tax levy requirement.

Section Four: Special District Financial Status

This section provides account balances regarding funds held in trust for the payment of debt, debt service requirements of the current levy, an analysis of the satisfaction of the reserve fund requirement, and summarizes estimated administrative expense requirements for the current levy. The section concludes by providing the calculation of the Additional Levy as defined in the RMA, the aggregate Special Tax levy requirement, and historical Special Tax rate information (Special Tax levy per unit).

Section Five: Administrative Obligations

This section reviews the requirement and status of delinquencies, arbitrage rebate computation, California Debt and Investment Advisory Commission Reporting, and Continuing Disclosure Reporting.

Section Six: Policy Issues and Administrative Activities

This section summarizes policy issues and actions which relate to the administration of the CFD which have been taken by the Board of the Temecula Valley Unified School District acting as the legislative body of the CFD, the Appeals Board of the Community Facilities District, or staff. This section includes information on all direct billed Special Taxes in the current year, if applicable, and the statutorily prescribed Notice of Special Tax.

Section Seven: Special District Reference Data

This section contains a synthesis of the proceedings for formation and debt-issuance Information.

Section Eight: Appendices

Appendix A: Listing of all property within the boundaries of the CFD and, if applicable, a copy of all direct billed parcels.

Appendix B: Rate and Method of Apportionment of Special Tax for the CFD.

Appendix C: Notice of Special Tax and associated data required to complete.

Appendix D: Historical Special Tax Rates.

Appendix E: Original Boundary Map and current Assessor Parcel Maps.

Appendix F: Resolution Establishing the Special Tax Rates for fiscal year 2026/27 as adopted by the Board of the Temecula Valley Unified School District acting as the legislative body of the CFD.

Appendix G: Delinquency Report.

Section 3. DEVELOPMENT ACTIVITY–CLASSIFICATION OF PROPERTY

The original boundary of Community Facilities District No. 89-1 encompassed the planned community known as Redhawk. At buildout it was estimated that the community would contain approximately 3,300 residential units. In addition, the community was estimated to contain neighborhood retail property as well as an 18-hole golf course complete with clubhouse and support facilities. As detailed in Section 7, CFD No. 89-1 was overlaid with a separate CFD which modified the boundaries of CFD No. 89-1, and as such CFD No. 89-1 no longer contains the entire community. This modification did not modify the RMA adopted at the time of formation.

As defined in the RMA, CFD No. 89-1 levies a Special Tax on all Taxable Property within the boundaries of the CFD upon a property being classified as Developed. A parcel is classified as Developed Property when a building permit has been issued as of March 1 of the preceding fiscal year. The CFD is currently considered fully developed.

The Parcel Listing for CFD No. 89-1, contained in Appendix A, shows the status of each parcel and the Special Tax levy amount for the current year.

Section 4. SPECIAL DISTRICT FINANCIAL STATUS

This section of the Special Tax Levy Report contains financial information relevant to the fiscal year 2026/27 Special Tax levy for the Community Facilities District.

A. ADMINISTRATIVE EXPENSE REQUIREMENTS

Table II summarizes the total estimated expenses associated with CFD administration for the current fiscal year. Such expenses include fees charged by legal counsel, financial advisors and other consultants, as well as the cost of School District staff required to administer the CFD. A brief description of each expense item follows.

TABLE II
ESTIMATED ADMINISTRATIVE EXPENSE REQUIREMENTS

Expense Item	Total Estimated FY 2026/27
CFD Administration/District Supervision	$69,000.00
Agency Accounting	$750.00
County of Riverside Tax Collection Fees	$861.14
Delinquency Monitoring/Legal Fees	$2,000.00
Contingency	$14,522.00
Total Estimated Administrative Expense Requirements:	**$87,133.14**

CFD Administration and District Supervision include all activities of the Temecula Valley Unified School District Staff associated with annual administration of the Community Facilities District. This includes, but is not limited to, the estimated costs to administer the Special Tax levy, monitor collections, review delinquencies and disburse funds of the CFD. CFD Administration also includes the cost of preparing the Special Tax Levy Report and parcel tax information provided to the County of Riverside.

Agency Accounting covers the expenses charged by an independent accounting firm which provides audit services to the School District and reviews the CFDs.

County Tax Collection Fees refer to the County of Riverside's processing fee of $0.11 per assessment and the County of Riverside Treasurer's Office charge of $0.25 per assessment and $96.14 per District (Fund No.) to levy and collect tax installments on the County Property Tax bill.

Delinquency Monitoring includes the costs to: Obtain delinquency listings from the County of Riverside; cause to be mailed reminder and demand letters informing the property owners in delinquency of the procedural steps that are taken should the delinquency continue; inform the School District of the procedural steps that must be followed if any delinquency

continues, and at the School District's request inform a School District-appointed attorney of all steps that have taken place.

Contingency is an estimated amount to allow for unforeseen expenses.

B. ADDITIONAL LEVY

Per the Rate and Method of Apportionment of Special Tax, an Additional Levy is defined as "an amount equal to nine percent (9%) of the aggregate Assigned Special Taxes in a fiscal year, provided that the aggregate Assigned Special Taxes are less than Net Debt Service; if the aggregate Assigned Special Taxes in a fiscal year are greater than Net Debt Service, then Additional Levy means an amount equal to nine percent (9%) of Net Debt Service."

According to Legal Counsel, this calculation applies until the levy on Undeveloped Property is no longer required. Subsequently, the Additional Levy is the difference between Net Debt Service and the aggregate Assigned Special Taxes.

C. AGGREGATE SPECIAL TAX LEVY REQUIREMENT AND PROJECTED FUNDING OF SCHOOL FACILITIES

The following Table III summarizes the fiscal year 2026/27 aggregate Special Tax levy requirement for the CFD. The Assigned Special Tax at the then current rate will be levied in each applicable tax year. The Special Taxes collected which are in excess of the current year's administrative expenses and other designated facilities expenditures are set aside to pay for the construction or acquisition of school facilities as student generation and capacity needs may dictate.

TABLE III
SPECIAL TAX LEVY REQUIREMENT

Levy Components	FY 2026/27
Maximum Assigned Special Tax – Fiscal Year 2026/27	$2,552,543.20
Projected Administrative Expense Requirement (Table II)	($87,133.14)
Estimated Fiscal Year 2026/27 Funding of Authorized School Facilities*	**$2,465,410.06**

* Estimated fiscal year 2026/27 funding of school facilities has not been reduced by possible delinquencies.

D. HISTORICAL SPECIAL TAX RATES

The basis for allocating the aggregate Special Tax levy requirement to the various parcels within the Community Facilities District is contained in the Rate and Method of Apportionment of Special Tax (Appendix B). The application of the allocation detailed in the tax formula resulted in the Special Tax rates shown in Appendix D.

Appendix D provides an historical overview of the Assigned and Actual Annual Special Tax rates levied and shows the percentage of the Assigned Annual Special Tax.

Section 5. ADMINISTRATIVE OBLIGATIONS

This section of the Special Tax Levy Report overviews the covenants or reporting requirements under which the School District has an obligation to comply.

A. FORECLOSURE REQUIREMENTS

The School District is no longer required by covenants to foreclose on property owners who are delinquent in the payment of Special Taxes. However, the School District still monitors the delinquency rates of CFD No. 89-1.

- As of July 1, 2026, 22 parcels were delinquent with a total of $17,912.75 for the 2025/26 tax year (Source: Riverside County Secured Paid & Unpaid List which provided payment information through June 30, 2026). The total levy for 2025/26 was $2,502,490.72. The delinquency percentage can be calculated as ($17,912.75/$2,502,490.72) 0.72%. See Appendix G for the delinquency report.

B. CALCULATION OF REBATABLE ARBITRAGE

The final computation for the 2003 Special Tax Refunding Bonds issue for CFD No. 89-1 was prepared for the period ending September 1, 2012. The first arbitrage calculation for the 2012 Special Tax Refunding Bonds issue was prepared for the period ending September 1, 2016. The final computation for the 2012 Special Tax Refunding Bonds was prepared for the period ending September 1, 2021.

C. CDIAC REPORTS

California Government Code requires the filing of a Yearly Fiscal Status Report with the California Debt and Investment Advisory Commission (“CDIAC”) each October for Bonds issued after January 1, 1993, as well as posting the same report on the School District’s website on or before January 31st. In addition, CDIAC requires the filing of an Annual Debt Transparency Report each January for debt issued after January 1, 2017. The Community Facilities District No. 89-1 Special Tax Refunding Bonds issued in August 2012 are subject only to the filing of the Yearly Fiscal Status Report. The School District is in compliance by filing as required and posting the report on the School District’s website. The final Yearly Fiscal Status Report for the 2012 Special Tax Refunding Bonds was completed on October 31, 2022.

D. SECONDARY MARKET REPORTING REQUIREMENTS (RULE 15C2-12)

Secondary Market Reporting Requirements are applicable to certain debt issues dated after July 3, 1995. The 2012 Special Tax Refunding Bonds are no longer subject to this requirement as the 2012 Special Tax Refunding Bonds have matured.

Section 6. POLICY ISSUES AND ADMINISTRATIVE ACTIVITIES

A. POLICY ISSUES

When CFD No. 89-1 was formed, the authority to form an appeals board was established. The appeals board is a three-member panel of School District staff which interprets any ambiguity found in the language of the Rate and Method of Apportionment of Special Tax for a Community Facilities District. Concerns regarding the application of the Special Tax may be brought to the appeals board by property owners within the CFD. The decisions of the appeals board are then taken to the Board of the School District as an informational item.

To the best of our knowledge, the School District has not had any circumstance in which the appeals board was needed and hence an appeals board has never been officially formed.

B. ADMINISTRATIVE ACTIVITIES

This subsection of the Report discloses administrative activities which need to be annually monitored and updated.

1. **Direct Billed Parcels.** There are no direct billed parcels for the fiscal year 2026/27 levy. Please see Appendix A for details.

2. **Notice of Special Tax.** In accordance with Section 53340.2 of the Government Code, the agency will designate an office, department, or bureau to establish procedures to promptly respond to inquires concerning current and future estimated tax liability. For purposes of enabling sellers of real property subject to the Levy of Special Taxes to satisfy the Notice requirements, the designated party will furnish a Notice of Special Tax to any individual requesting the Notice within five (5) business days of receiving a request for such Notice. The local agency may charge a reasonable fee for this service not to exceed ten dollars ($10.00). A copy of this Notice is contained in Appendix C. Note, the assessor parcel number, classification, square footage range and current year's maximum tax must be filled in by the agency. Please do not hesitate to contact SDFA to fulfill this requirement.

3. **Prepayment of the Special Tax.** At the time CFD No. 89-1 was formed, prepayment provisions were not included in the Rate and Method of Apportionment of Special Tax. Legal Counsel, in March of 2020, reviewed the ability to add a prepayment provision and found no ability to modify the RMA, as such, prepayments are not permissible.

4. **Land Use Classification Corrections.** In July of 2012, an error in an assigned Land Use Class ("LUC") for APN 966-200-024 was detected. This parcel was classified as LUC 2 and should have been classified as LUC 1. The property owner was notified of the correction to this error in writing on September 26, 2012.

In October of 2013, SDFA was notified of an error in the assigned LUC by the owner of APN 966-113-017. SDFA confirmed this parcel was previously classified as LUC 1 and has now changed the classification to LUC 5.

5. **CFD Special Tax Apportionment Change.** In July 2021, the District processed a request with the County of Riverside Auditor-Controller's Office to transfer the receipt/apportionment of Special Tax funds directly to the TVUSD.

Section 7. CFD REFERENCE DATA

A. SPECIAL DISTRICT FORMATION & PROCEEDINGS SUMMARY

1. **Synthesis of the Proceedings.** The Mello-Roos Community Facilities Act (Act) of 1982 came about as a response to the lack of adequate financing for public capital facilities and services in the post-Proposition 13 era. State Senators Mello and Roos sponsored this Bill which was enacted into law by the California Legislature and is now Sections 53311 through 53363 of the *California Government Code*. The Act, as amended, authorizes a local governmental agency, such as a School District or City, to form a Community Facilities District within a defined set of boundaries for the purposes of providing public facilities and services. A CFD is formed for financing purposes only and is governed by the agency that formed it.

2. **Formation Summary.** The following table shows formation proceedings information for Community Facilities District No. 89-1:

TABLE IV
FORMATION SUMMARY DATA

Proceedings Item	Date	Number
Resolution of Intention to Establish	05/15/1990	1989-90/60

3. **District Boundaries.** In September 2002, a portion of CFD No. 89-1 was overlapped with a new CFD, Community Facilities District No. 2002-2 (“CFD No. 02-2”). At the formation of CFD No. 02-2, a Special Tax Lien was placed on the property. In February 2003, the CFD No. 89-1 Special Tax Lien was removed from the property now covered by CFD No. 02-2. Appendix E contains the original boundary map and the boundary map for CFD No. 02-2.

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX TO DEVELOPED PROPERTY AND UNDEVELOPED PROPERTY

Starting in Fiscal Year 1991-92 the Board shall determine the amount of money to be collected from Taxable Property in CFD No. 89-1 in that Fiscal Year. Such amount shall include the Additional Levy and the sums necessary to pay for Net Debt Service on indebtedness of CFD No. 89-1, to create or replenish reserve funds determined necessary by CFD No. 89-1. The levy of the Special Tax shall cease upon the later of twenty-five (25) years from the date or original issuance of the last series of bonds of CFD No. 89-1 or the date of the final redemption, defeasance and/or repayment of all outstanding bonds of CFD No. 89-1. The Board shall levy the Special Tax as follows until the amount of the levy equals the amount to be collected:

First: The Special Tax shall be levied on Developed Property which has not been exempted pursuant to Section E, in equal percentages up to the following rates: 100% of the Assigned Special Tax for each class for such Fiscal Year.

Second: If additional moneys are needed after the first step has been completed, the Special Tax shall be levied proportionately on each parcel of Undeveloped Property (exclusive of Undeveloped Property owned by or irrevocably offered for dedication to a public agency or owned by a homeowner's association) up to 100% of the applicable rate for such Fiscal Year determined by reference to Section C.

Third: If additional moneys are needed after the first two steps have be completed, then the levy of the Special Tax on each Assessor's parcel, whose Maximum Special Tax is determined through the application of the Backup Special Tax, shall be increased up to the Maximum Special Tax for each such Assessor's parcel by increasing the applicable rate for each Assessor's parcel for such Fiscal Year determined by Section C in equal percentages above the rates levied pursuant to step one above. However, if the Backup Special Tax must be levied, the District shall only levy the Special Taxes, including the Backup Special Tax, in an amount sufficient to provide all funds necessary for payment of Net Debt Service plus amounts necessary to create and replenish any reserve fund, and the Backup Special Tax, to directly fund any Additional Levy for any construction costs.

Fourth: If additional moneys are needed after the first three steps have been completed, then the Special Tax shall be levied proportionately on each parcel of Undeveloped Property offered dedication to a public agency or owned by a homeowners' association which has not been exempted from the Special Tax pursuant to Section E, up to the Maximum Special Tax for Undeveloped Property; and

Fifth: If additional moneys are needed after the first four steps have been completed, then the Special Tax shall be levied proportionately on each parcel of Undeveloped Property conveyed to a public agency which has not been exempted from the Special Tax pursuant to Section E, up to the Maximum Special Tax for Undeveloped Property.

E. LIMITATIONS

The Board shall not impose any Special Tax on up to 692 acres of land conveyed or offered for dedication to a public agency or owned by a homeowners' association . If the total number of acres of land conveyed or irrevocably offered for dedication to a public agency or owned by a homeowners' associated exceeds 692 acres, then the acres exceeding such total shall be taxed as Undeveloped Property to the extent set forth in steps four and five in Section D above; provided, however, that in no event shall the Board impose a Special Tax on land which is a public right of way or which is an unmanned utility property or a property encumbered with public or utility easements making impractical its utilization for other than the purpose set forth in the easement.

The Board shall not impose any Special Tax on up to 133 apartment units. If the total number of apartment units exceeds 133, then the units exceeding such total shall be taxed in the same manner as Class 8 property.

F. REVIEW/APPEAL COUNCIL

The Board shall establish as part of the proceedings and administration of CFD No. 89-1 a special three member Review/Appeal Council. Any landowner or resident who thinks that the amount of the Special Tax, as to their parcel, is in error may file a notice with the Review/Appeal Council appealing the amount of the Special Tax assigned to such parcel. The Review/Appeal Council shall interpret this Rate and Method of Apportionment of the Special Tax and make determinations relative to the annual administration of the special tax and any landowner or resident appeals, as herein specified.

G. MANNER OF COLLECTION

The Special Taxes for CFD No. 89-1 will be collected in the same manner and at the same time as ordinary ad valorem property taxes are collected in the County of Riverside; provided, however, that CFD No. 89-1 may collect Special Taxes at a different time or in a different manner if necessary to meet its financial obligations. In the event of a delinquency, CFD No. 89-1 will pursue foreclosure proceedings in a timely manner as prescribed by applicable law and documents of CFD No. 89-1.
